1 Christine Procops

2 So auction rate securities are
3 a little risky, and we did not want to be
4 in them. But given the market, that's what
5 we were stuck with.

6 Lehman Brothers presented a
7 solution for us. And in their words -- and
8 this is not a direct quote -- in their
9 words, it took all of the risk off of
10 Giants Stadium LLC for the auction rate
11 securities. And we effectively locked in a
12 long-term fixed rate bond which was at that
13 period of time not available to us.

14 Q So why is it that you didn't
15 have all of the series associated with
16 swaps from Lehman with this floating rate
17 based on the actual bond rate?

18 A I think -- I think, ultimately,
19 the reason why was because Goldman had been
20 involved in the transaction for a long
21 period of time and had done a lot of work
22 on it for Giants Stadium LLC. The reason
23 why -- my understanding -- why underwriters
24 and investment bankers want to be the
25 counterparty on a swap is they stand to

1 Christine Procops

2 make more money than they do with
3 underwriting fees. So Giants Stadium LLC
4 decided at that point to give a small piece
5 of it to Goldman Sachs rather than give the
6 entire amount to Lehman Brothers.

7 Q And prior to having this
8 discussion with Lehman where it suggested
9 this product where the floating rate was
10 the actual bond rate, Giants Stadium was at
11 that time prepared to enter into swaps with
12 Goldman on all of the series based on the
13 floating rate being pegged to LIBOR?

14 A Not all of the series, just a
15 portion of them.

16 Q The A-2 through A-7?

17 A Correct.

18 Q And why was it that the A-1
19 series was not -- was not going to have an
20 associated swap?

21 A At the period of time, the bond
22 insurers mandated how much of the project
23 needed to be swapped out for risk purposes.
24 And while we were in the process of selling
25 various sweep products or anything else,

1 Christine Procops

2 documents worked with regard to that.

3 Q Do you recall that there was a
4 provision that said that, if there was a
5 termination of the swap as a result of an
6 event of default by Lehman, that both
7 Lehman and Giants Stadium would designate
8 two dealers to go out and get bids from?

9 A I remember there was something
10 with regard to going out and getting bids,
11 yes, but the particulars I don't remember.

12 Q So let me -- let's be clear so
13 the record is clear.

14 Do you recall that there was
15 something in the swap documents that
16 required that, upon an early termination
17 that was a result of an event of default by
18 Lehman, that both Giants Stadium and Lehman
19 had to designate two dealers to go out to
20 get bids from?

21 A I remember there were
22 circumstances in which that had to happen.
23 I don't remember whether it was the early
24 termination, Lehman default. I don't
25 recall those details, but there was a

1 Christine Procops

2 requirement somewhere in the document that
3 required each of us to go out and get bids.
4 Yes.

5 Q Did Lehman -- let me ask it
6 differently.

7 Is it your understanding that
8 that provision that was just described
9 applied to the termination that was done by
10 Giants Stadium?

11 A I believe it is.

12 Q And did Giants Stadium ever
13 seek from Lehman the designation of two
14 broker/dealers to go out and solicit bids?

15 A I don't know about the term
16 broker/dealer. But we had to go out to
17 individuals or firms and find out who, and
18 I spoke to Rob Taylor about it.

19 Q When you say you spoke to Rob
20 Taylor about it, what do you recall
21 speaking to Rob Taylor about?

22 A We had conversations with
23 counsel about what the provisions of the
24 swap documents were and what needed to
25 happen. What they were I don't recall. I

1 Christine Procops

2 do remember there needed to be some firm
3 that we had to go out to, and I spoke to
4 Rob specifically about that.

5 Q And what did you say to Rob
6 Taylor and what did he say to you in this
7 conversation?

8 A I said to him -- and I don't
9 recall the specifics -- generally, I said
10 to him:

11 "Rob, I've been told by counsel
12 that our documents have these certain
13 provisions in them, and it had something to
14 do with going out and getting these bids."

15 And Rob said to me -- well,
16 these are not his exact words, something to
17 the effect of:

18 "You are on your own. There is
19 really nobody here at Lehman. Go out and
20 get them on your own."

21 Q Do you remember any of the
22 words that Mr. Taylor used with respect to
23 seeking bids?

24 A Specific words?

25 Q Yes.

1 Christine Procops

2 Q And did JP Morgan agree to bid?

3 A I'm not sure I understand the
4 question.

5 Q Did -- this E-Mail solicits a
6 bid from JP Morgan. Did JP Morgan make a
7 bid for -- to enter into a replacement
8 transaction?

9 A No, JP Morgan laughed.

10 Q Did you have a conversation
11 with JP Morgan?

12 A I did.

13 Q And who did you speak with at
14 JP Morgan?

15 A Craig Doukissa and Chris Braun.

16 Q And when was that conversation?

17 A I can't remember the date of
18 the conversation.

19 Q And what did you say to the JP
20 Morgan representatives, and what did they
21 say to you in this call?

22 A I told them we were soliciting
23 bids to enter into a placement transaction
24 for the Lehman swap. They asked for
25 particulars on the swap. I sent them the

1 Christine Procops

2 Giants Stadium contacted to solicit bids
3 from?

4 A In addition to JP Morgan?

5 Q Yes.

6 A Bank of America, and we also
7 discussed it with Goldman Sachs.

8 Q Was there a solicitation of a
9 bid from Goldman Sachs?

10 A I believe so, yes.

11 Q Was that in writing?

12 A I don't remember.

13 Q Did Giants Stadium get a
14 response from Goldman Sachs in writing?

15 A I don't remember.

16 Q Is there a reason that Giants
17 Stadium went out to only three banks
18 instead of four?

19 A I can't remember.

20 Q If you take a look at page nine
21 of the schedule, it is Bates Numbered 9528.

22 (There was a discussion off the
23 record.)

24 Q Do you see the definition of
25 "reference market-makers"? It says it

MASTER AGREEMENT

dated as of July 27, 2007

Lehman Brothers Special Financing Inc. and Giants Stadium LLC have entered and/or anticipate entering into one or more transactions (each a "Transaction") that are or will be governed by this Master Agreement (the "Master Agreement"), which includes the schedule (the "Schedule"), and the documents and other confirming evidence (each a "Confirmation") exchanged between the parties confirming those Transactions.

Accordingly, the parties agree as follows:—

1. Interpretation

- (a) **Definitions.** The terms defined in Section 12 and in the Schedule will have the meanings therein specified for the purpose of this Master Agreement.
- (b) **Inconsistency.** In the event of any inconsistency between the provisions of the Schedule and the other provisions of this Master Agreement, the Schedule will prevail. In the event of any inconsistency between the provisions of any Confirmation and this Master Agreement (including the Schedule), such Confirmation will prevail for the purpose of the relevant Transaction.
- (c) **Single Agreement.** All Transactions are entered into in reliance on the fact that this Master Agreement and all Confirmations form a single agreement between the parties (collectively referred to as this "Agreement"), and the parties would not otherwise enter into any Transactions.

2. Obligations

(a) General Conditions.

- (i) Each party will make each payment or delivery specified in each Confirmation to be made by it, subject to the other provisions of this Agreement.
- (ii) Payments under this Agreement will be made on the due date for value on that date in the place of the account specified in the relevant Confirmation or otherwise pursuant to this Agreement, in freely transferable funds and in the manner customary for payments in the required currency. Where settlement is by delivery (that is, other than by payment), such delivery will be made for receipt on the due date in the manner customary for the relevant obligation unless otherwise specified in the relevant Confirmation or elsewhere in this Agreement.

(iii) Each obligation of each party under Section 2(a)(i) is subject to (1) the condition precedent that no Event of Default or Potential Event of Default with respect to the other party has occurred and is continuing, (2) the condition precedent that no Early Termination Date in respect of the relevant Transaction has occurred or been effectively designated and (3) each other applicable condition precedent specified in this Agreement.

(b) **Change of Account.** Either party may change its account for receiving a payment or delivery by giving notice to the other party at least five Local Business Days prior to the scheduled date for the payment or delivery to which such change applies unless such other party gives timely notice of a reasonable objection to such change.

(c) **Netting.** If on any date amounts would otherwise be payable:—

- (i) in the same currency; and
- (ii) in respect of the same Transaction,

by each party to the other, then, on such date, each party's obligation to make payment of any such amount will be automatically satisfied and discharged and, if the aggregate amount that would otherwise have been payable by one party exceeds the aggregate amount that would otherwise have been payable by the other party, replaced by an obligation upon the party by whom the larger aggregate amount would have been payable to pay to the other party the excess of the larger aggregate amount over the smaller aggregate amount.

The parties may elect in respect of two or more Transactions that a net amount will be determined in respect of all amounts payable on the same date in the same currency in respect of such Transactions, regardless of whether such amounts are payable in respect of the same Transaction. The election may be made in the Schedule or a Confirmation by specifying that subparagraph (ii) above will not apply to the Transactions identified as being subject to the election, together with the starting date (in which case subparagraph (ii) above will not, or will cease to, apply to such Transactions from such date). This election may be made separately for different groups of Transactions and will apply separately to each pairing of branches or offices through which the parties make and receive payments or deliveries.

(d) **Default Interest; Other Amounts.** Prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction, a party that defaults in the performance of any payment obligation will, to the extent permitted by law and subject to Section 6(c), be required to pay interest (before as well as after judgment) on the overdue amount to the other party on demand in the same currency as such overdue amount, for the period from (and including) the original due date for payment to (but excluding) the date of actual payment, at the Default Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed. If, prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction, a party defaults in the performance of any obligation required to be settled by delivery, it will compensate the other party on demand if and to the extent provided for in the relevant Confirmation or elsewhere in this Agreement.

3. Representations

Each party represents to the other party (which representations will be deemed to be repeated by each party on each date on which a Transaction is entered into) that:—

(a) **Basic Representations.**

- (i) **Status.** It is duly organized and validly existing under the laws of the jurisdiction of its organization or incorporation and, if relevant under such laws, in good standing;

Copyright © 1992 by International Swaps and Derivatives Association, Inc.

(ii) **Powers.** It has the power to execute this Agreement and any other documentation relating to this Agreement to which it is a party, to deliver this Agreement and any other documentation relating to this Agreement that it is required by this Agreement to deliver and to perform its obligations under this Agreement and any obligations it has under any Credit Support Document to which it is a party and has taken all necessary action to authorize such execution, delivery and performance;

(iii) **No Violation or Conflict.** Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it or any of its assets or any contractual restriction binding on or affecting it or any of its assets;

(iv) **Consents.** All governmental and other consents that are required to have been obtained by it with respect to this Agreement or any Credit Support Document to which it is a party have been obtained and are in full force and effect and all conditions of any such consents have been complied with; and

(v) **Obligations Binding.** Its obligations under this Agreement and any Credit Support Document to which it is a party constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms (subject to applicable bankruptcy, reorganization, insolvency, moratorium or similar laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law)).

(b) **Absence of Certain Events.** No Event of Default or Potential Event of Default or, to its knowledge, Termination Event with respect to it has occurred and is continuing and no such event or circumstance would occur as a result of its entering into or performing its obligations under this Agreement or any Credit Support Document to which it is a party.

(c) **Absence of Litigation.** There is not pending or, to its knowledge, threatened against it or any of its Affiliates any action, suit or proceeding at law or in equity or before any court, tribunal, governmental body, agency or official or any arbitrator that is likely to affect the legality, validity or enforceability against it of this Agreement or any Credit Support Document to which it is a party or its ability to perform its obligations under this Agreement or such Credit Support Document.

(d) **Accuracy of Specified Information.** All applicable information that is furnished in writing by or on behalf of it to the other party and is identified for the purpose of this Section 3(d) in the Schedule is, as of the date of the information, true, accurate and complete in every material respect.

4. **Agreements**

Each party agrees with the other that, so long as either party has or may have any obligation under this Agreement or under any Credit Support Document to which it is a party:—

(a) **Furnish Specified Information.** It will deliver to the other party any forms, documents or certificates specified in the Schedule or any Confirmation by the date specified in the Schedule or such Confirmation or, if none is specified, as soon as reasonably practicable.

(b) **Maintain Authorizations.** It will use all reasonable efforts to maintain in full force and effect all consents of any governmental or other authority that are required to be obtained by it with respect to this Agreement or any Credit Support Document to which it is a party and will use all reasonable efforts to obtain any that may become necessary in the future.

(c) **Comply with Laws.** It will comply in all material respects with all applicable laws and orders to which it may be subject if failure so to comply would materially impair its ability to perform its obligations under this Agreement or any Credit Support Document to which it is a party.

5. Events of Default and Termination Events

(a) **Events of Default.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any of the following events constitutes an event of default (an "Event of Default") with respect to such party:—

(i) **Failure to Pay or Deliver.** Failure by the party to make, when due, any payment under this Agreement or delivery under Section 2(a)(i) or 2(d) required to be made by it if such failure is not remedied on or before the third Local Business Day after notice of such failure is given to the party;

(ii) **Breach of Agreement.** Failure by the party to comply with or perform any agreement or obligation (other than an obligation to make any payment under this Agreement or delivery under Section 2(a)(i) or 2(d) or to give notice of a Termination Event) to be complied with or performed by the party in accordance with this Agreement if such failure is not remedied on or before the thirtieth day after notice of such failure is given to the party;

(iii) **Credit Support Default.**

(1) Failure by the party or any Credit Support Provider of such party to comply with or perform any agreement or obligation to be complied with or performed by it in accordance with any Credit Support Document if such failure is continuing after any applicable grace period has elapsed;

(2) the expiration or termination of such Credit Support Document or the failing or ceasing of such Credit Support Document to be in full force and effect for the purpose of this Agreement (in either case other than in accordance with its terms) prior to the satisfaction of all obligations of such party under each Transaction to which such Credit Support Document relates without the written consent of the other party; or

(3) the party or such Credit Support Provider disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, such Credit Support Document;

(iv) **Misrepresentation.** A representation made or repeated or deemed to have been made or repeated by the party or any Credit Support Provider of such party in this Agreement or any Credit Support Document proves to have been incorrect or misleading in any material respect when made or repeated or deemed to have been made or repeated;

(v) **Default under Specified Transaction.** The party, any Credit Support Provider of such party or any applicable Specified Entity of such party (1) defaults under a Specified Transaction and, after giving effect to any applicable notice requirement or grace period, there occurs a liquidation of, an acceleration of obligations under, or an early termination of, that Specified Transaction, (2) defaults, after giving effect to any applicable notice requirement or grace period, in making any payment or delivery due on the last payment, delivery or exchange date of, or any payment on early termination of, a Specified Transaction (or such default continues for at least three Local Business Days if there is no applicable notice requirement or grace period) or (3) disaffirms, disclaims, repudiates or rejects, in whole or in part, a Specified Transaction (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

(vi) **Cross Default.** If "Cross Default" is specified in the Schedule as applying to the party, the occurrence or existence of (1) a default, event of default or other similar condition or event (however described) in respect of such party, any Credit Support Provider of such party or any applicable Specified Entity of such party under one or more agreements or instruments relating to Specified Indebtedness of any of them (individually or collectively) in an aggregate amount of not less than the applicable Threshold Amount (as specified in the Schedule) which has resulted in such Specified Indebtedness becoming, or becoming capable at such time of being declared, due and payable under such agreements or instruments, before it would otherwise have been due and payable or (2) a default by such party, such Credit Support Provider or such Specified Entity (individually or collectively) in making one or more payments on the due date thereof in an aggregate amount of not less than the applicable Threshold Amount under such agreements or instruments (after giving effect to any applicable notice requirement or grace period);

(vii) **Bankruptcy.** The party, any Credit Support Provider of such party or any applicable Specified Entity of such party:—

(1) is dissolved (other than pursuant to a consolidation, amalgamation or merger); (2) becomes insolvent or is unable to pay its debts or fails or admits in writing its inability generally to pay its debts as they become due; (3) makes a general assignment, arrangement or composition with or for the benefit of its creditors; (4) institutes or has instituted against it a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, or a petition is presented for its winding-up or liquidation, and, in the case of any such proceeding or petition instituted or presented against it, such proceeding or petition (A) results in a judgment of insolvency or bankruptcy or the entry of an order for relief or the making of an order for its winding-up or liquidation or (B) is not dismissed, discharged, stayed or restrained in each case within 30 days of the institution or presentation thereof; (5) has a resolution passed for its winding-up, official management or liquidation (other than pursuant to a consolidation, amalgamation or merger); (6) seeks or becomes subject to the appointment of an administrator, provisional liquidator, conservator, receiver, trustee, custodian or other similar official for it or for all or substantially all its assets; (7) has a secured party take possession of all or substantially all its assets or has a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against all or substantially all its assets and such secured party maintains possession, or any such process is not dismissed, discharged, stayed or restrained, in each case within 30 days thereafter; (8) causes or is subject to any event with respect to it which, under the applicable laws of any jurisdiction, has an analogous effect to any of the events specified in clauses (1) to (7) (inclusive); or (9) takes any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the foregoing acts; or

(viii) **Merger Without Assumption.** The party or any Credit Support Provider of such party consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity and, at the time of such consolidation, amalgamation, merger or transfer:—

(1) the resulting, surviving or transferee entity fails to assume all the obligations of such party or such Credit Support Provider under this Agreement or any Credit Support Document to which it or its predecessor was a party by operation of law or pursuant to an agreement reasonably satisfactory to the other party to this Agreement; or

(2) the benefits of any Credit Support Document fail to extend (without the consent of the other party) to the performance by such resulting, surviving or transferee entity of its obligations under this Agreement.

(b) **Termination Events.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any event specified below constitutes an Illegality if the event is specified in (i) below, and, if specified to be applicable, a Credit Event Upon Merger if the event is specified pursuant to (ii) below or an Additional Termination Event if the event is specified pursuant to (iii) below:—

(i) **Illegality.** Due to the adoption of, or any change in, any applicable law after the date on which a Transaction is entered into, or due to the promulgation of, or any change in, the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law after such date, it becomes unlawful (other than as a result of a breach by the party of Section 4(b)) for such party (which will be the Affected Party):—

(1) to perform any absolute or contingent obligation to make a payment or delivery or to receive a payment or delivery in respect of such Transaction or to comply with any other material provision of this Agreement relating to such Transaction; or

(2) to perform, or for any Credit Support Provider of such party to perform, any contingent or other obligation which the party (or such Credit Support Provider) has under any Credit Support Document relating to such Transaction;

(ii) **Credit Event Upon Merger.** If “Credit Event Upon Merger” is specified in the Schedule as applying to the party, such party (“X”), any Credit Support Provider of X or any applicable Specified Entity of X consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity and such action does not constitute an event described in Section 5(a)(viii) but the creditworthiness of the resulting, surviving or transferee entity is materially weaker than that of X, such Credit Support Provider or such Specified Entity, as the case may be, immediately prior to such action (and, in such event, X or its successor or transferee, as appropriate, will be the Affected Party); or

(iii) **Additional Termination Event.** If any “Additional Termination Event” is specified in the Schedule or any Confirmation as applying, the occurrence of such event (and, in such event, the Affected Party or Affected Parties shall be as specified for such Additional Termination Event in the Schedule or such Confirmation).

(c) **Event of Default and Illegality.** If an event or circumstance which would otherwise constitute or give rise to an Event of Default also constitutes an Illegality, it will be treated as an Illegality and will not constitute an Event of Default.

6. Early Termination

(a) **Right to Terminate Following Event of Default.** If at any time an Event of Default with respect to a party (the “Defaulting Party”) has occurred and is then continuing, the other party (the “Non-defaulting Party”) may, by not more than 20 days notice to the Defaulting Party specifying the relevant Event of Default, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all outstanding Transactions. If, however, “Automatic Early Termination” is specified in the Schedule as applying to a party, then an Early Termination Date in respect of all outstanding Transactions will occur immediately upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(1), (3), (5), (6) or, to the extent analogous thereto, (8), and as of the time immediately preceding the institution of the relevant proceeding or the presentation of the relevant

petition upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(4) or, to the extent analogous thereto, (8).

(b) ***Right to Terminate Following Termination Event.***

(i) ***Notice.*** If a Termination Event occurs, an Affected Party will, promptly upon becoming aware of it, notify the other party, specifying the nature of that Termination Event and each Affected Transaction and will also give such other information about that Termination Event as the other party may reasonably require.

(ii) ***Two Affected Parties.*** If an Illegality under Section 5(b)(i)(1) occurs and there are two Affected Parties, each party will use all reasonable efforts to reach agreement within 30 days after notice thereof is given under Section 6(b)(i) on action to avoid that Termination Event.

(iii) ***Right to Terminate. If:—***

(1) an agreement under Section 6(b)(ii) has not been effected with respect to all Affected Transactions within 30 days after an Affected Party gives notice under Section 6(b)(i); or

(2) an Illegality other than that referred to in Section 6(b)(ii), a Credit Event Upon Merger or an Additional Termination Event occurs,

either party in the case of an Illegality, any Affected Party in the case of an Additional Termination Event if there is more than one Affected Party, or the party which is not the Affected Party in the case of a Credit Event Upon Merger or an Additional Termination Event if there is only one Affected Party may, by not more than 20 days notice to the other party and provided that the relevant Termination Event is then continuing, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all Affected Transactions.

(c) ***Effect of Designation.***

(i) If notice designating an Early Termination Date is given under Section 6(a) or (b), the Early Termination Date will occur on the date so designated, whether or not the relevant Event of Default or Termination Event is then continuing.

(ii) Upon the occurrence or effective designation of an Early Termination Date, no further payments or deliveries under Section 2(a)(i) or 2(d) in respect of the Terminated Transactions will be required to be made, but without prejudice to the other provisions of this Agreement. The amount, if any, payable in respect of an Early Termination Date shall be determined pursuant to Section 6(e).

(d) ***Calculations.***

(i) ***Statement.*** On or as soon as reasonably practicable following the occurrence of an Early Termination Date, each party will make the calculations on its part, if any, contemplated by Section 6(e) and will provide to the other party a statement (1) showing, in reasonable detail, such calculations (including all relevant quotations and specifying any amount payable under Section 6(e)) and (2) giving details of the relevant account to which any amount payable to it is to be paid. In the absence of written confirmation from the source of a quotation obtained in determining a Market Quotation, the records of the party obtaining such quotation will be conclusive evidence of the existence and accuracy of such quotation.

(ii) **Payment Date.** An amount calculated as being due in respect of any Early Termination Date under Section 6(e) will be payable on the day that notice of the amount payable is effective (in the case of an Early Termination Date which is designated or occurs as a result of an Event of Default) and on the day which is two Local Business Days after the day on which notice of the amount payable is effective (in the case of an Early Termination Date which is designated as a result of a Termination Event). Such amount will be paid together with (to the extent permitted under applicable law) interest thereon (before as well as after judgment), from (and including) the relevant Early Termination Date to (but excluding) the date such amount is paid, at the Applicable Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed.

(e) **Payments on Early Termination.** If an Early Termination Date occurs, the following provisions shall apply based on the parties' election in the Schedule of a payment measure, either "Market Quotation" or "Loss," and a payment method, either the "First Method" or the "Second Method." If the parties fail to designate a payment measure or payment method in the Schedule, it will be deemed that "Market Quotation" or the "Second Method," as the case may be, shall apply. The amount, if any, payable in respect of an Early Termination Date and determined pursuant to this Section will be subject to any Set-off.

(i) **Events of Default.** If the Early Termination Date results from an Event of Default:—

(1) **First Method and Market Quotation.** If the First Method and Market Quotation apply, the Defaulting Party will pay to the Non-defaulting Party the excess, if a positive number, of (A) the sum of the Settlement Amount (determined by the Non-defaulting Party) in respect of the Terminated Transactions and the Unpaid Amounts owing to the Non-defaulting Party over (B) the Unpaid Amounts owing to the Defaulting Party.

(2) **First Method and Loss.** If the First Method and Loss apply, the Defaulting Party will pay to the Non-defaulting Party, if a positive number, the Non-defaulting Party's Loss in respect of this Agreement.

(3) **Second Method and Market Quotation.** If the Second Method and Market Quotation apply, an amount will be payable equal to (A) the sum of the Settlement Amount (determined by the Non-defaulting Party) in respect of the Terminated Transactions and the Unpaid Amounts owing to the Non-defaulting Party less (B) the Unpaid Amounts owing to the Defaulting Party. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of that amount to the Defaulting Party.

(4) **Second Method and Loss.** If the Second Method and Loss apply, an amount will be payable equal to the Non-defaulting Party's Loss in respect of this Agreement. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of that amount to the Defaulting Party.

(ii) **Termination Events.** If the Early Termination Date results from a Termination Event:—

(1) **One Affected Party.** If there is one Affected Party, the amount payable will be determined in accordance with Section 6(e)(i)(3), if Market Quotation applies, or Section 6(e)(i)(4), if Loss applies, except that, in either case, references to the Defaulting Party and to the Non-defaulting Party will be deemed to be references to the Affected Party and the party which is not the Affected Party, respectively, and, if Loss applies and fewer

than all the Transactions are being terminated, Loss shall be calculated in respect of all Terminated Transactions.

(2) *Two Affected Parties.* If there are two Affected Parties:—

(A) if Market Quotation applies, each party will determine a Settlement Amount in respect of the Terminated Transactions, and an amount will be payable equal to (I) the sum of (a) one-half of the difference between the Settlement Amount of the party with the higher Settlement Amount ("X") and the Settlement Amount of the party with the lower Settlement Amount ("Y") and (b) the Unpaid Amounts owing to X less (II) the Unpaid Amounts owing to Y; and

(B) if Loss applies, each party will determine its Loss in respect of this Agreement (or, if fewer than all the Transactions are being terminated, in respect of all Terminated Transactions) and an amount will be payable equal to one-half of the difference between the Loss of the party with the higher Loss ("X") and the Loss of the party with the lower Loss ("Y").

If the amount payable is a positive number, Y will pay it to X; if it is a negative number, X will pay the absolute value of that amount to Y.

(iii) *Adjustment for Bankruptcy.* In circumstances where an Early Termination Date occurs because "Automatic Early Termination" applies in respect of a party, the amount determined under this Section 6(e) will be subject to such adjustments as are appropriate and permitted by law to reflect any payments or deliveries made by one party to the other under this Agreement (and retained by such other party) during the period from the relevant Early Termination Date to the date for payment determined under Section 6(d)(ii).

(iv) *Pre-Estimate.* The parties agree that if Market Quotation applies an amount recoverable under this Section 6(e) is a reasonable pre-estimate of loss and not a penalty. Such amount is payable for the loss of bargain and the loss of protection against future risks and except as otherwise provided in this Agreement neither party will be entitled to recover any additional damages as a consequence of such losses.

7. Transfer

Neither this Agreement nor any interest or obligation in or under this Agreement may be transferred (whether by way of security or otherwise) by either party without the prior written consent of the other party, except that:—

(a) a party may make such a transfer of this Agreement pursuant to a consolidation or amalgamation with, or merger with or into, or transfer of all or substantially all of its assets to, another entity (but without prejudice to any other right or remedy under this Agreement); and

(b) a party may make such a transfer of all or any part of its interest in any amount payable to it from a Defaulting Party under Section 6(e).

Any purported transfer that is not in compliance with this Section will be void.

8. Miscellaneous

(a) *Entire Agreement.* This Agreement constitutes the entire agreement and understanding of the parties with respect to its subject matter and supersedes all oral communication and prior writings with respect thereto.

(b) **Amendments.** No amendment, modification or waiver in respect of this Agreement will be effective unless in writing (including a writing evidenced by a facsimile transmission) and executed by each of the parties or confirmed by an exchange of telexes or electronic messages on an electronic messaging system.

(c) **Survival of Obligations.** Without prejudice to Sections 2(a)(iii) and 6(c)(ii), the obligations of the parties under this Agreement will survive the termination of any Transaction.

(d) **Remedies Cumulative.** Except as provided in this Agreement, the rights, powers, remedies and privileges provided in this Agreement are cumulative and not exclusive of any rights, powers, remedies and privileges provided by law.

(e) **Counterparts and Confirmations.**

(i) This Agreement (and each amendment, modification and waiver in respect of it) may be executed and delivered in counterparts (including by facsimile transmission), each of which will be deemed an original.

(ii) The parties intend that they are legally bound by the terms of each Transaction from the moment they agree to those terms (whether orally or otherwise). A Confirmation shall be entered into as soon as practicable and may be executed and delivered in counterparts (including by facsimile transmission) or be created by an exchange of telexes or by an exchange of electronic messages on an electronic messaging system, which in each case will be sufficient for all purposes to evidence a binding supplement to this Agreement. The parties will specify therein or through another effective means that any such counterpart, telex or electronic message constitutes a Confirmation.

(f) **No Waiver of Rights.** A failure or delay in exercising any right, power or privilege in respect of this Agreement will not be presumed to operate as a waiver, and a single or partial exercise of any right, power or privilege will not be presumed to preclude any subsequent or further exercise, of that right, power or privilege or the exercise of any other right, power or privilege.

(g) **Headings.** The headings used in this Agreement are for convenience of reference only and are not to affect the construction of or to be taken into consideration in interpreting this Agreement.

9. Expenses

A Defaulting Party will, on demand, indemnify and hold harmless the other party for and against all reasonable out-of-pocket expenses, including legal fees, incurred by such other party by reason of the enforcement and protection of its rights under this Agreement or any Credit Support Document to which the Defaulting Party is a party or by reason of the early termination of any Transaction, including, but not limited to, costs of collection.

10. Notices

(a) **Effectiveness.** Any notice or other communication in respect of this Agreement may be given in any manner set forth below (except that a notice or other communication under Section 5 or 6 may not be given by facsimile transmission or electronic messaging system) to the address or number or in accordance with the electronic messaging system details provided (see the Schedule) and will be deemed effective as indicated:—

- (i) if in writing and delivered in person or by courier, on the date it is delivered;
- (ii) if sent by telex, on the date the recipient's answerback is received;

(iii) if sent by facsimile transmission, on the date that transmission is received by a responsible employee of the recipient in legible form (it being agreed that the burden of proving receipt will be on the sender and will not be met by a transmission report generated by the sender's facsimile machine);

(iv) if sent by certified or registered mail (airmail, if overseas) or the equivalent (return receipt requested), on the date that mail is delivered or its delivery is attempted; or

(v) if sent by electronic messaging system, on the date that electronic message is received,

unless the date of that delivery (or attempted delivery) or that receipt, as applicable, is not a Local Business Day or that communication is delivered (or attempted) or received, as applicable, after the close of business on a Local Business Day, in which case that communication shall be deemed given and effective on the first following day that is a Local Business Day.

(b) **Change of Addresses.** Either party may by notice to the other change the address, telex or facsimile number or electronic messaging system details at which notices or other communications are to be given to it.

11. Governing Law and Jurisdiction

(a) **Governing Law.** This Agreement will be governed by and construed in accordance with the law specified in the Schedule.

(b) **Jurisdiction.** With respect to any suit, action or proceedings relating to this Agreement ("Proceedings"), each party irrevocably:—

(i) submits to the jurisdiction of the English courts, if this Agreement is expressed to be governed by English law, or to the non-exclusive jurisdiction of the courts of the State of New York and the United States District Court located in the Borough of Manhattan in New York City, if this Agreement is expressed to be governed by the laws of the State of New York; and

(ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party.

Nothing in this Agreement precludes either party from bringing Proceedings in any other jurisdiction (outside, if this Agreement is expressed to be governed by English law, the Contracting States, as defined in Section 1(3) of the Civil Jurisdiction and Judgments Act 1982 or any modification, extension or re-enactment thereof for the time being in force) nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

(c) **Waiver of Immunities.** Each party irrevocably waives, to the fullest extent permitted by applicable law, with respect to itself and its revenues and assets (irrespective of their use or intended use), all immunity on the grounds of sovereignty or other similar grounds from (i) suit, (ii) jurisdiction of any court, (iii) relief by way of injunction, order for specific performance or for recovery of property, (iv) attachment of its assets (whether before or after judgment) and (v) execution or enforcement of any judgment to which it or its revenues or assets might otherwise be entitled in any Proceedings in the courts of any jurisdiction and irrevocably agrees, to the extent permitted by applicable law, that it will not claim any such immunity in any Proceedings.

relevant account is located, (c) in relation to any notice or other communication, including notice contemplated under Section 5(a)(i), in the city specified in the address for notice provided by the recipient and, in the case of a notice contemplated by Section 2(b), in the place where the relevant new account is to be located and (d) in relation to Section 5(a)(v)(2), in the relevant locations for performance with respect to such Specified Transaction.

"Loss" means, with respect to this Agreement or one or more Terminated Transactions, as the case may be, and a party, an amount that party reasonably determines in good faith to be its total losses and costs (or gain, in which case expressed as a negative number) in connection with this Agreement or that Terminated Transaction or group of Terminated Transactions, as the case may be, including any loss of bargain, cost of funding or, at the election of such party but without duplication, loss or cost incurred as a result of its terminating, liquidating, obtaining or reestablishing any hedge or related trading position (or any gain resulting from any of them). Loss includes losses and costs (or gains) in respect of any payment or delivery required to have been made (assuming satisfaction of each applicable condition precedent) on or before the relevant Early Termination Date and not made, except, so as to avoid duplication, if Section 6(e)(i)(1) or (3) or 6(e)(ii)(2)(A) applies. Loss does not include a party's legal fees and out-of-pocket expenses referred to under Section 9. A party will determine its Loss as of the relevant Early Termination Date, or, if that is not reasonably practicable, as of the earliest date thereafter as is reasonably practicable. A party may (but need not) determine its Loss by reference to quotations of relevant rates or prices from one or more leading dealers in the relevant markets.

"Market Quotation" means, with respect to one or more Terminated Transactions and a party making the determination, an amount determined on the basis of quotations from Reference Market-makers. Each quotation will be for an amount, if any, that would be paid to such party (expressed as a negative number) or by such party (expressed as a positive number) in consideration of an agreement between such party (taking into account any existing Credit Support Document with respect to the obligations of such party) and the quoting Reference Market-maker to enter into a transaction (the "Replacement Transaction") that would have the effect of preserving for such party the economic equivalent of any payment or delivery (whether the underlying obligation was absolute or contingent and assuming the satisfaction of each applicable condition precedent) by the parties under Section 2(a)(i) in respect of such Terminated Transaction or group of Terminated Transactions that would, but for the occurrence of the relevant Early Termination Date, have been required after that date. For this purpose, Unpaid Amounts in respect of the Terminated Transaction or group of Terminated Transactions are to be excluded but, without limitation, any payment or delivery that would, but for the relevant Early Termination Date, have been required (assuming satisfaction of each applicable condition precedent) after that Early Termination Date is to be included. The Replacement Transaction would be subject to such documentation as such party and the Reference Market-maker may, in good faith, agree. The party making the determination (or its agent) will request each Reference Market-maker to provide its quotation to the extent reasonably practicable as of the same day and time (without regard to different time zones) on or as soon as reasonably practicable after the relevant Early Termination Date. The day and time as of which those quotations are to be obtained will be selected in good faith by the party obliged to make a determination under Section 6(e), and, if each party is so obliged, after consultation with the other. If more than three quotations are provided, the Market Quotation will be the arithmetic mean of the quotations, without regard to the quotations having the highest and lowest values. If exactly three such quotations are provided, the Market Quotation will be the quotation remaining after disregarding the highest and lowest quotations. For this purpose, if more than one quotation has the same highest value or lowest value, then one of such quotations shall be disregarded. If fewer than three quotations are provided, it will be deemed that the Market Quotation in respect of such Terminated Transaction or group of Terminated Transactions cannot be determined.

"Non-default Rate" means a rate per annum equal to the cost (without proof or evidence of any actual cost) to the Non-defaulting Party (as certified by it) if it were to fund the relevant amount.

"Non-defaulting Party" has the meaning specified in Section 6(a).

"Potential Event of Default" means any event which, with the giving of notice or the lapse of time or both, would constitute an Event of Default.

"Reference Market-makers" means four leading dealers in the relevant market selected by the party determining a Market Quotation in good faith (a) from among dealers of the highest credit standing which satisfy all the criteria that such party applies generally at the time in deciding whether to offer or to make an extension of credit and (b) to the extent practicable, from among such dealers having an office in the same city.

"Scheduled Payment Date" means a date on which a payment or delivery is to be made under Section 2(a)(i) with respect to a Transaction.

"Set-off" means set-off, offset, combination of accounts, right of retention or withholding or similar right or requirement to which the payer of an amount under Section 6 is entitled or subject (whether arising under this Agreement, another contract, applicable law or otherwise) that is exercised by, or imposed on, such payer.

"Settlement Amount" means, with respect to a party and any Early Termination Date, the sum of:—

(a) the Market Quotations (whether positive or negative) for each Terminated Transaction or group of Terminated Transactions for which a Market Quotation is determined; and

(b) such party's Loss (whether positive or negative and without reference to any Unpaid Amounts) for each Terminated Transaction or group of Terminated Transactions for which a Market Quotation cannot be determined or would not (in the reasonable belief of the party making the determination) produce a commercially reasonable result.

"Specified Entity" has the meaning specified in the Schedule.

"Specified Indebtedness" means, subject to the Schedule, any obligation (whether present or future, contingent or otherwise, as principal or surety or otherwise) in respect of borrowed money.

"Specified Transaction" means, subject to the Schedule, (a) any transaction (including an agreement with respect thereto) now existing or hereafter entered into between one party to this Agreement (or any Credit Support Provider of such party or any applicable Specified Entity of such party) and the other party to this Agreement (or any Credit Support Provider of such other party or any applicable Specified Entity of such other party) which is a rate swap transaction, basis swap, forward rate transaction, commodity swap, commodity option, equity or equity index swap, equity or equity index option, bond option, interest rate option, foreign exchange transaction, cap transaction, floor transaction, collar transaction, currency swap transaction, cross-currency rate swap transaction, currency option or any other similar transaction (including any option with respect to any of these transactions), (b) any combination of these transactions and (c) any other transaction identified as a Specified Transaction in this Agreement or the relevant confirmation.

"Terminated Transactions" means with respect to any Early Termination Date (a) if resulting from a Termination Event, all Affected Transactions and (b) if resulting from an Event of Default, all Transactions (in either case) in effect immediately before the effectiveness of the notice designating that Early Termination Date (or, if "Automatic Early Termination" applies, immediately before that Early Termination Date).

“Termination Event” means an Illegality or, if specified to be applicable, a Credit Event Upon Merger or an Additional Termination Event.

“Termination Rate” means a rate per annum equal to the arithmetic mean of the cost (without proof or evidence of any actual cost) to each party (as certified by such party) if it were to fund or of funding such amounts.

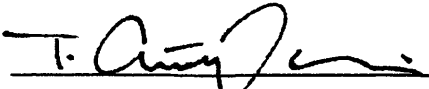

“Unpaid Amounts” owing to any party means, with respect to an Early Termination Date, the aggregate of (a) in respect of all Terminated Transactions, the amounts that became payable (or that would have become payable but for Section 2(a)(iii)) to such party under Section 2(a)(i) on or prior to such Early Termination Date and which remain unpaid as at such Early Termination Date and (b) in respect of each Terminated Transaction, for each obligation under Section 2(a)(i) which was (or would have been but for Section 2(a)(iii)) required to be settled by delivery to such party on or prior to such Early Termination Date and which has not been so settled as at such Early Termination Date, an amount equal to the fair

market value of that which was (or would have been) required to be delivered as of the originally scheduled date for delivery, in each case together with (to the extent permitted under applicable law) interest, in the currency of such amounts, from (and including) the date such amounts or obligations were or would have been required to have been paid or performed to (but excluding) such Early Termination Date, at the Applicable Rate. Such amounts of interest will be calculated on the basis of daily compounding and the actual number of days elapsed. The fair market value of any obligation referred to in clause (b) above shall be reasonably determined by the party obliged to make the determination under Section 6(e) or, if each party is so obliged, it shall be the average of the fair market values reasonably determined by both parties.

Part 1. Termination Provisions.

In this Agreement:—

(a) *"Specified Entity"* means in relation to Party A for the purpose of:—

Section 5(a)(v) (Default under Specified Transaction),	Not Applicable.
Section 5(a)(vi) (Cross Default),	Not Applicable.
Section 5(a)(vii) (Bankruptcy),	Not Applicable.
Section 5(b)(ii) (Credit Event Upon Merger),	Not Applicable.

and in relation to Party B for the purpose of:—

Section 5(a)(v) (Default under Specified Transaction),	Not applicable.
Section 5(a)(vi) (Cross Default),	Not applicable.
Section 5(a)(vii) (Bankruptcy),	Not applicable.
Section 5(b)(ii) (Credit Event Upon Merger),	Not applicable.

- (b) The **"Breach of Agreement"** provisions of Section 5(a)(ii) will apply to Party A and will apply to Party B; provided, however, with respect to Party B, the provisions of Section 5(a)(ii) will not apply to Section 4(d) of the Agreement (as added pursuant to Part 4(c)(ii) of this Schedule).
- (c) The **"Misrepresentation"** provisions of Section 5(a)(iv) will apply to Party A and will not apply to Party B.
- (d) The **"Default Under Specified Transaction"** provisions of Section 5(a)(v) will not apply to Party A and will not apply to Party B.
- (e) The **"Cross Default"** provisions of Section 5(a)(vi) will apply to Party A and will apply to Party B; provided, that the phrase "or becoming capable at such time of being declared" shall be deleted from clause (1) of such Section 5(a)(vi).

The following provisions apply:—

"Specified Indebtedness" will have the meaning specified in Section 12 of this Agreement; provided, however, that Specified Indebtedness, with respect to Party B, will be limited to the Bonds.

"Threshold Amount" means, with respect to Party A, USD 50,000,000 and, with respect to Party B, zero.

The following proviso will be inserted at the end of Section 5(a)(vi) of this Agreement:

"provided, however, that notwithstanding the foregoing, an Event of Default shall not occur under either (1) or (2) above if (a) the event or condition referred to in (1) or the failure to pay referred to in (2) is a failure to pay caused by an error or omission of an administrative or operational nature; and (b) funds were available to such party to enable it to make the relevant payment when due; and (c) such relevant payment is made within three Business Days following receipt of written notice from an interested party of such failure to pay."

- (f) **"Bankruptcy"**. Section 5(a)(vii) of this Agreement shall be amended to add, in the last line thereof, immediately following the phrase "the foregoing acts", the words "other than any consents or deemed consents contained in the NFL Letter Agreement (as defined below)".
- (g) The **"Credit Event Upon Merger"** provisions of Section 5(b)(ii) will apply to Party A and will not apply to Party B.
- (h) The **"Automatic Early Termination"** provisions of Section 6(a) will not apply to Party A and will not apply to Party B.
- (i) **"Credit Support Default"**. Section 5(a)(iii) will apply to Party A and not to Party B.
- (j) **Payments on Early Termination**. For the purpose of Section 6(e) of this Agreement, Market Quotation and the Second Method will apply.
- (k) **Additional Termination Event** will apply. The following shall constitute an Additional Termination Event:—

(A) There is a repayment, mandatory redemption or other retirement of all of the Bonds before their scheduled maturity date.

For the purpose of the foregoing Additional Termination Event, the Affected Party shall be Party B.

(B) Party A's Credit Support Provider fails to have at least one outstanding issue of rated senior unsecured long-term debt with an unenhanced rating (disregarding any insurance or other support with respect to such debt) of at least (i) A3 as determined by Moody's Investors Service, Inc. ("Moody's"), and (ii) A- as determined by Standard & Poor's Rating Services (a division of the McGraw Hill Companies) ("S&P").

For the purpose of the foregoing Additional Termination Event, the Affected Party shall be Party A.

(I) **Insurer Provisions.** The following provisions shall apply to any Transaction that is insured by a financial guaranty insurance policy (the "Swap Insurance Policy") issued on or subsequent to the date hereof by Financial Guaranty Insurance Company (the "Insurer" or the "Swap Insurer"), for the account of Party B, as principal, and Party A, as beneficiary (each, an "Insured Transaction"):

(i) **Designation of Early Termination Date.** Notwithstanding anything to the contrary in Section 6 of this Agreement, if any:

- (a) Event of Default in respect of any Insured Transaction under this Agreement occurs; or
- (b) Termination Event (other than the Additional Termination Events set forth in Part 1(l)(ii)(A) and Part 1(l)(ii)(B)) in respect of any Insured Transaction under this Agreement occurs;

then, in either such case, Party A shall not designate an Early Termination Date pursuant to Section 6 of this Agreement in respect of any such Insured Transaction without the prior written consent of the Insurer. Further, Party B shall not designate an Early Termination Date pursuant to Section 6 of this Agreement in respect of any such Insured Transaction if the termination of such Insured Transaction (or any part thereof) would violate Section 609(n) or any other provision of the Covered Indenture or any provision of the Insurance and Indemnity Agreement.

(ii) **Party B Additional Termination Events.** The following shall constitute Additional Termination Events with respect to Party B, upon the occurrence of which, Party A may designate an Early Termination Date without the consent of the Swap Insurer:

- (A) (i) an Event of Default has occurred under Section 5(a)(i) of the Agreement with respect to Party B as a Defaulting Party and (ii) the Insurer has failed to make a payment to Party A when due under the terms and conditions of the Swap Insurance Policy and such failure is continuing, after giving effect, in the case of (i) and (ii) above, to any applicable notice requirements and grace periods.
- (B) Both (1) an Event of Default pursuant to Section 5(a)(vi)(1) of the Agreement (as modified by Part 1(e) of this Schedule) has occurred with Party B as the Defaulting Party and (ii) the Insurer fails to have both a claims-paying ability rating of at least "A-" in the case of S&P and at least "A3" in the case of Moody's. In the event Party A designates an Early Termination Date pursuant to this Part 1(l)(ii)(B), any Settlement Amount due from Party B (such amount, the "Accelerated Amount") will be insured by the Insurer (subject to any limitations set forth in the Swap Insurance Policy) and payable and secured as set forth in Section 4(e) of the Agreement (as added pursuant to Part 4(c) herein). Any Accelerated Payment will be paid in a manner consistent with payments on the

Bonds. If Bonds are paid from the proceeds of any liquidation (or any portion thereof) of the Collateral (other than amounts on deposit in the Senior Lien Debt Service Reserve Fund or the Senior Lien Strike Reserve Fund) ("Liquidation Proceeds"), the Accelerated Amount will share ratably with the accelerated principal amount of the Bonds (and all interest then due and payable thereon) in the Liquidation Proceeds that are used to pay the Bonds. Any portion of the Accelerated Amount that remains unpaid will (i) bear interest at an interest rate equal to the interest rate on the Bonds that remain outstanding, (ii) be amortized in equal installments (based on the number of principal payment dates remaining on such outstanding Bonds) over the remaining life of such outstanding Bonds and (iii) be payable on the principal payment dates for such outstanding Bonds. If no Bonds are paid from Liquidation Proceeds, the entire amount of the Accelerated Amount shall bear interest at an interest rate equal to the interest rate on the outstanding Bonds and will be amortized in equal installments over the remaining life of the outstanding Bonds pursuant to the foregoing sentence.

For the purposes of the foregoing Additional Termination Events, Party B shall be the sole Affected Party and all Insured Transactions shall be Affected Transactions.

The parties acknowledge (unless the Swap Insurance Policy is otherwise endorsed) that only those termination payments due from Party B resulting from the application of Part 1(l)(ii)(A) or Part 1(l)(ii)(B) (subject, in the case of either Part 1(l)(ii)(A) or Part 1(l)(ii)(B), to any limitation as to amount set forth in the Swap Insurance Policy) or as a result of the Swap Insurer's designation (as opposed to merely consenting to such designation by one of the parties) of an Early Termination Date in accordance with Part 1(l)(iii) hereof shall be insured.

- (iii) ***The Insurer – Right to Designate Early Termination Date – due to Event of Default/Termination Event with respect to Party B.*** Notwithstanding anything in this Agreement, if any Event of Default under this Agreement occurs, with Party B as the Defaulting Party, or if any Termination Event under this Agreement occurs, with Party B as the Affected Party, then the Insurer (so long as no Additional Termination Event described in Part 1(l)(ii) has occurred and is continuing), shall have the right (but not the obligation) upon notice to Party A to designate an Early Termination Date with respect to Party B with the same effect as if such designation were made by Party A. For purposes of the foregoing sentence, an Event of Default or Termination Event where Party B is the Defaulting Party or the Affected Party, as applicable, shall be considered to be continuing, notwithstanding any payment by the Insurer under the Swap Insurance Policy.
- (iv) ***Amendments.*** Section 8(b) of the Agreement is hereby amended by adding the phrase “; provided, however, that Party B has agreed with the Insurer in the Insurance and Indemnity Agreement that certain amendments, modifications and waivers shall require the consent of the Insurer pursuant to the terms of the Insurance and Indemnity Agreement” immediately after the word “parties” in the third line thereof. Any amendment, modification or waiver made to this Agreement (including, but not limited to, the Credit Support Annex or any Insured Transaction (or the Confirmation thereof) in violation of the Insurance and Indemnity Agreement or of the Covered Indenture shall be void and of no force and effect. Party A reserves the right to require either of the following as a condition to its consent to any amendment, modification or waiver of this Agreement or any Insured Transaction: (a) the consent of the Insurer or (b) an

acknowledgment by the Insurer that such Insurer's consent is not required with respect to such amendment, modification or waiver; provided, however, that Party A may waive any such right in its sole discretion.

- (v) **Transfers/Assignments/Delegation.** Notwithstanding Section 7 of the Agreement, neither party may transfer, assign or delegate its rights or duties with respect to an Insured Transaction under the Agreement, unless it receives the prior written consent of the Insurer; provided, however that Party A may make such an assignment, without the Insurer's consent, to (A) any Reference Market-maker having a long-term debt rating from S&P of "AA-" or higher or from Moody's of "Aa3" or higher (a "Substitute Counterparty") or (B) an Affiliate of Party A if Party A's Credit Support Provider provides a guaranty of the Agreement in form and substance acceptable to the Insurer, which acceptance shall not be unreasonably withheld; provided, further, that such Substitute Counterparty or Affiliate assumes the rights and duties of Party A under the Insured Transaction pursuant to an agreement that is in form and substance satisfactory to the Insurer.
- (vi) **No Suspension of Payments.** Notwithstanding anything contained herein to the contrary, Party A shall not suspend any payments due under an Insured Transaction under Section 2(a)(iii) of the Agreement unless either (a) Party A has designated an Early Termination Date pursuant to the terms hereof or (b) Party A has the right to designate an Early Termination Date pursuant to the terms hereof without the consent of the Insurer.
- (vii) **No Netting.** Notwithstanding anything contained herein to the contrary, and unless the Insurer consents in writing, in no event shall either Party A or Party B be entitled to net its payment obligations in respect of the Insured Transactions against the payment obligations of the other party in respect of other Transactions under this Agreement if such Transactions are not Insured Transactions, nor may either Party A or Party B net the payment obligations of the other party under Transactions that are not Insured Transactions against the payment obligations of such party under Insured Transactions, it being the intention of the parties that their payment obligations under Insured Transactions be treated separate and apart from all other Transactions. Section 6(e) of this Agreement shall apply to all Insured Transactions with the same effect as if the Insured Transactions constituted a single master agreement. Notwithstanding Section 6(e) of this Agreement, the amount payable under Section 6(e) of this Agreement upon the termination of any Insured Transactions shall be determined without regard to any Transactions other than the Insured Transactions, it being the intention of the parties that their payment obligations under the Insured Transactions be treated separate and apart from all other Transactions unless otherwise agreed to in writing by the Insurer.
- (viii) **No Set-off or Counterclaim.** Notwithstanding anything contained herein to the contrary, in no event shall either Party A or Party B be entitled to set-off its payment obligations in respect of an Insured Transaction against the payment obligations of the other party (whether by counterclaim or otherwise) under any other agreement(s) between Party A and Party B or instrument(s) or undertaking(s) issued or executed by one party to, or in favor of, the other party, if such obligations are not Insured Transactions, or net the payment obligations of the other party that are not with respect to Insured Transactions against the payment obligations of such party under Insured Transactions, it being the intention of the parties that their payment obligations under Insured Transactions be treated separate and apart from all other obligations. Notwithstanding Section 6(e) of this Agreement, the amount payable under Section 6(e) of this Agreement upon the

termination of any Insured Transaction shall be determined without regard to any obligation other than those under the Insured Transactions, it being the intention of the parties that their payment obligations under the Insured Transactions be treated separate and apart from all other obligations unless otherwise specified in such other obligation and agreed to in writing by the Insurer.

- (ix) ***Representations and Agreements.*** Each party agrees that each of its representations and agreements in this Agreement is expressly made to and for the benefit of the Insurer.
- (x) ***Third-party Beneficiary.*** Party A and Party B hereby each acknowledge and agree that each of the Controlling Bond Insurer, the Insurer, and should Financial Security Assurance Inc. ("FSA") choose, in its sole and absolute discretion, to exercise its rights provided for in Part 1(l)(xvi) below, FSA shall be an express third-party beneficiary (and not merely an incidental third-party beneficiary) of this Agreement and of the obligations of each such party under any Insured Transaction, and as such, entitled to enforce the Agreement and the terms of any such Insured Transaction against such party on its own behalf and otherwise shall be afforded all remedies available hereunder or otherwise afforded by law against the parties hereto to redress any damage or loss incurred by the Insurer including, but not limited to, fees (including professional fees), costs and expenses incurred by the Insurer which are related to, or resulting from any breach by such party of its obligations hereunder.
- (xi) ***Policy Coverage.*** Party A and Party B hereby acknowledge and agree that the Insurer's obligation with respect to Insured Transactions shall be limited to the terms of the Swap Insurance Policy. Notwithstanding Section 2(d) or any other provision of this Agreement, the Insurer shall not have any obligation to pay interest on any amount payable by Party B under this Agreement.
- (xii) ***Subrogation; Assignment.***
 - (a) Party A and Party B hereby acknowledge that to the extent of payments made by the Insurer to Party A under the Swap Insurance Policy, the Insurer shall be fully subrogated to the rights of Party A against Party B under the Covered Indenture and under the Insured Transaction to which such payments relate, including, but not limited to, the right to receive payment from Party B and the enforcement of any remedies. Party A hereby agrees to assign to the Insurer its (i) right to receive payment from Party B under any Insured Transaction and (ii) its rights under the Covered Indenture as they relate to such payment under any Insured Transaction, in each case, to the extent of any payment by the Insurer to Party A.
 - (b) Party B hereby acknowledges and consents to the assignment by Party A to the Insurer of any rights and remedies that Party A has under any Insured Transaction, the Covered Indenture or any other document executed in connection herewith.
 - (c) Unless (i) the Insurer has failed to pay any payment due to Party A under the terms and conditions of the Swap Insurance Policy and such failure is continuing or (ii) the Insurer fails to have both a claims-paying ability rating of at least "A-" in the case of S&P and at least "A3" in the case of Moody's, Party A acknowledges and agrees that the Insurer shall have the right to direct and control Party A's voting rights under the Covered Indenture; provided, however, that except for the Insurer's rights obtained

pursuant to Part 1(l)(xii)(a) above, the Insurer shall not have the right to direct and control Party A's rights under clause (7) of Section 11.02(a) of the Covered Indenture).

(xiii) *Isolation of Insured Transactions in Designating an Early Termination Date.*

(a) Notwithstanding Section 6 of this Agreement, any designation by Party A or Party B of an Early Termination Date in respect of any Transactions that are not Insured Transactions shall not apply to any Insured Transactions under this Agreement, unless expressly provided in such designation and consented to in writing by the Insurer.

(b) Notwithstanding Section 6 of this Agreement, any designation of an Early Termination Date in respect of Insured Transactions by the Insurer or by Party A or Party B shall apply only to the Insured Transactions and not to any other Transaction under this Agreement, unless expressly provided in such designation and agreed to in writing by the Insurer.

(xiv) [RESERVED]

(xv) *Insurer - Right to Designate Early Termination Date due to Event of Default/Termination Event with respect to Party A.*

- (a) Notwithstanding anything in this Agreement, if any Event of Default under this Agreement occurs with Party A as the Defaulting Party or if any Termination Event under this Agreement occurs, with Party A as the Affected Party, in each case at a time when the Insurer is entitled to control Party B's rights pursuant to paragraph (xvii) below, then the Insurer (so long as no Additional Termination Event described in Part 1(l)(ii) has occurred), shall have the right (but not the obligation) upon notice to Party B to designate an Early Termination Date with respect to Party A with the same effect as if such designation were made by Party B. If the Insurer exercises such right in connection with an Additional Termination Event under Part 1(k)(B) hereof and, in connection with such termination, a termination payment would be owed to Party A, Party A shall have the right, within thirty (30) days after the designation of an Early Termination Date, to, at its own expense, assign this Agreement to a Substitute Counterparty. Notwithstanding anything to the contrary, if Party A is unable to assign this Agreement to a Substitute Counterparty pursuant to the foregoing, or a designation of an Early Termination Date occurs as a result of any other Termination Event where Party A is the Affected Party or any Event of Default where Party A is the Defaulting Party, then any payment owed by Party B to Party A upon such termination (the "Payable Amount") shall be neither insured nor guaranteed by the Insurer, shall be subordinated to other payment obligations of Party B under the Covered Indenture, and shall be payable only if (1)(a) prior to the occurrence of a Trustee Revenue Fund Event, funds are available in the Operating Fund for use for any lawful corporate purpose of Party B pursuant to Section 504(c)(x) of the Covered Indenture ("Surplus Funds") sufficient to pay such Payable Amount or (b) following the occurrence and during the continuance of a Trustee Revenue Fund Event, funds are available in the Second Lien Debt Service Fund pursuant to section 509(c)(vi) and (vii) of the Covered Indenture sufficient to pay such Payable Amount and (2) Party B demonstrates to Party A and the Insurer that the Senior Lien Pro Forma Debt Service Coverage Ratio (as

defined in the Covered Indenture) for the then-current fiscal year will be at least 1.00:1.00 (assuming for purposes of such calculation that the Payable Amount shall be included as Debt Service (as defined in the Covered Indenture) on Senior Lien Indebtedness (as defined in the Covered Indenture)); provided, however, that, prior to the application of any such Surplus Funds to the payment of such Payable Amount, Party B shall first be obligated to use Surplus Funds to fund or replenish the Debt Service Reserve Fund and the Senior Lien Strike Reserve Fund to the extent they are required to be funded or replenished under the Covered Indenture. The Payable Amount shall accrue interest at the Default Rate (i) from and including the date such Payable Amount would have been due pursuant to Section 6(d)(ii) of this Agreement but for such deferral and (ii) to but excluding the date such Deferred Amount is paid in full. Party B covenants that it shall not, pursuant to any derivative transaction, secure or make any termination payments in the nature of an Payable Amount to another swap provider under similar circumstances on a basis superior to any Payable Amount due from Party B hereunder without the written consent of Party A. Party B further covenants to take, as soon as practicable, such measures that are within its reasonable control to permit payment of any Payable Amount as quickly as possible, but only to the extent such measures are in compliance with the terms hereof and of the Covered Indenture. "Trustee Revenue Fund Event" means the occurrence of any event under Section 509(a) of the Covered Indenture that requires that transfer of all amounts held in the Operating Fund to the Trustee Revenue Fund.

(b) If the Insurer exercises its rights pursuant to paragraph (a) above and Party B enters into a transaction with a replacement swap provider, then, notwithstanding any provision therein to the contrary, a portion of any upfront payment made to Party B by the replacement swap provider in an amount up to, but not exceeding, the Payable Amount (the "Upfront Payment") shall constitute neither Swap Payments nor Pledged Revenues and shall be paid by Party B to Party A in whole or partial satisfaction of the Payable Amount. Any portion of the Payable Amount remaining unpaid after payment of any Upfront Payment to Party A shall remain payable and accrue interest in accordance with paragraph (a) above.

(xvi) ***Other Insurer's Cure Right.*** Notwithstanding anything to the contrary, Party A shall not exercise its right to designate an Early Termination Date pursuant to Part 1(l)(ii) hereof, unless it shall have given (1) FSA written notice of the Insurer's failure to make a payment pursuant to the terms of the Swap Insurance Policy and (2) FSA at least three (3) Business Days to cure such failure and to deliver to Party A, within fifteen (15) days, a replacement swap insurance policy in a form reasonably acceptable to Party A (a "Replacement Policy"). If FSA exercises its right (in its sole discretion) to cure such Insurer's failure and delivers the Replacement Policy within fifteen (15) days of such failure, (i) Party A shall not be able to designate an Early Termination Date with respect to the cured failure to pay and (ii) FSA shall be deemed to be the Insurer for all purposes hereof.

(xvii) ***Insurer's Right to Control Party B's Rights.*** Notwithstanding any other provision of this Agreement, following a Termination Event where Party B is the Affected Party and/or an Event of Default where Party B is the Defaulting Party, if the Controlling Bond Insurer has the right to take actions in accordance with the Covered Indenture and has delivered a Foreclosure Notice in accordance with the NFL Agreement, the Controlling Bond Insurer shall have the right (but not the obligation) to control all of Party B's rights under this

Agreement with respect to an Insured Transaction. For purposes of the foregoing sentence, an Event of Default or Termination Event where Party B is the Defaulting Party or the Affected Party, as applicable, shall be considered to be continuing, notwithstanding any payment by the Insurer under the Swap Insurance Policy. In furtherance of such provision, Party B irrevocably appoints the Insurer as its attorney-in-fact, and will deliver a power of attorney evidencing such appointment, with full authority in its place and stead and in its name or otherwise, from time to time in the Insurer's discretion, to take any action and to execute any instrument which the Insurer may deem necessary or advisable to accomplish or invoke these exercise rights.

(xviii) **Reference Market-makers.** The definition of "Reference Market-makers" set forth in Section 12 of the Agreement shall be amended in its entirety to read as follows:

"Reference Market-makers" means four (4) leading dealers in the relevant swap market selected by the party determining a Market Quotation in good faith (a) from among dealers of the highest credit standing which satisfy all the criteria that such party applies generally at the time of deciding whether to offer or to make an extension of credit and (b) to the extent practicable, from among dealers having an office in the greater New York City metropolitan area. The rating classification assigned to any outstanding long-term senior debt securities of such dealers shall be at least (1) "A2" or higher as determined by Moody's, or (2) "A" or higher as determined by S&P or (3) if not rated by one of S&P or Moody's, an equivalent investment grade rating determined by a nationally-recognized rating service acceptable to both parties and the Insurer, provided, however, that in any case, if Market Quotations cannot be determined by four (4) such dealers, the party making the determination of the Market Quotation may designate, with the consent of the other party and the Insurer, one (1) or more leading dealers whose long-term senior debt bears a lower investment grade rating or the parties may agree, with the consent of the Insurer, to use fewer than four (4) leading dealers.

 - (i) In the third line, insert the words "which consent will not be arbitrarily withheld or delayed," immediately before the word "except";
 - (ii) in clause (a), insert the words "or reorganization, incorporation, reincorporation, or reconstitution into or as," immediately before the word "another"; and
 - (iii) add at the end of Section 7, a new sentence, "Notwithstanding the foregoing, Party A, without consent of Party B, may transfer this Agreement or its interests or its obligations in or under this Agreement to any Reference Market-maker whose unenhanced senior unsecured long-term debt rating (disregarding any insurance or other support with respect to such debt) (or that of the entity guaranteeing its obligations) assigned by Moody's, Fitch, or S&P is not below the rating assigned by the same rating agency to the unenhanced senior unsecured long-term debt rating (disregarding any insurance or other support with respect to such debt) of Party A's Credit Support Provider at the time of transfer."
- (o) **Performance on Behalf of Party B.** Payment and performance obligations due from Party B hereunder may be paid or performed by the Insurer, the Trustee under the Covered Indenture, the NFL under the NFL Letter Agreement, or any other person authorized by Party B to make such payment on Party B's behalf, and Party A agrees to accept payment and performance for purposes of this Agreement as if made directly from Party B.

EXHIBIT A to Schedule

GUARANTEE OF LEHMAN BROTHERS HOLDINGS INC.

LEHMAN BROTHERS SPECIAL FINANCING INC. ("Party A") and GIANTS STADIUM LLC ("Party B") have entered into a Master Agreement (FGIC-Insured) dated as of July 27, 2007, as amended from time to time (the "Master Agreement"), pursuant to which Party A and Party B have entered and/or anticipate entering into one or more transactions (each a "Transaction"), the Confirmation of each of which supplements, forms part of, and will be read and construed as one with, the Master Agreement (collectively referred to as the "Agreement"). This Guarantee is a Credit Support Document as contemplated in the Agreement. For value received, and in consideration of the financial accommodation accorded to Party A by Party B under the Agreement, LEHMAN BROTHERS HOLDINGS INC., a corporation organized and existing under the laws of the State of Delaware ("Guarantor"), hereby agrees to the following:

(a) Guarantor hereby unconditionally guarantees to Party B the due and punctual payment of all amounts payable by Party A in connection with each Transaction when and as Party A's obligations thereunder shall become due and payable in accordance with the terms of the Agreement (whether at maturity, by acceleration or otherwise). Guarantor hereby agrees, upon written demand by Party B, to pay or cause to be paid any such amounts punctually when and as the same shall become due and payable.

(b) Guarantor hereby agrees that its obligations under this Guarantee constitute a guarantee of payment when due and not of collection.

(c) Guarantor hereby agrees that its obligations under this Guarantee shall be unconditional, irrespective of the validity, regularity or enforceability of any obligation of Party A under the Agreement, the absence of any action to enforce Party A's obligations under the Agreement, any waiver or consent by Party B with respect to any provisions thereof, the entry by Party A and Party B into any amendments to the Agreement, additional Transactions under the Agreement or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor (excluding the defense of payment or statute of limitations, neither of which is waived) provided, however, that Guarantor shall be entitled to exercise any right that Party A could have exercised under the Agreement to cure any default in respect of its obligations under the Agreement or to setoff, counterclaim or withhold payment with respect to any Event of Default or Potential Event of Default, but only to the extent such right is provided to Party A under the Agreement. The Guarantor acknowledges that Party A and Party B may from time to time enter into one or more Transactions pursuant to the Agreement and agrees that the obligations of the Guarantor under this Guarantee will upon the execution of any such Transaction by Party A and Party B extend to all such Transactions without the taking of further action by the Guarantor.

(d) This Guarantee shall remain in full force and effect until receipt by Party B of a written notice of termination from Guarantor. Termination of this Guarantee shall not affect Guarantor's liability hereunder as to obligations incurred or arising out of Transactions entered into prior to the termination hereof.

(e) Guarantor further agrees that this Guarantee shall continue to be effective or be reinstated, as the case may be, if at any time, payment, or any part thereof, of any obligation or interest thereon is rescinded or must otherwise be restored by Party B upon an Event of Default as set forth in Section 5(a)(vii) of the Master Agreement affecting Party A or Guarantor.

(f) Guarantor hereby waives (i) promptness, diligence, presentment, demand of payment, protest, order and, except as set forth in paragraph (a) hereof, notice of any kind in connection with the Agreement and this Guarantee, or (ii) any requirement that Party B exhaust any right to take any action against Party A or any other person prior to or contemporaneously with proceeding to exercise any right against Guarantor under this Guarantee.

(g) Guarantor shall have no right of subrogation with respect to any payments made under this Guarantee until all obligations of the Guaranteed Party under the Agreement are paid in full.

(h) Guarantor represents and warrants (which representations and warranties shall be deemed to have been made by Guarantor on the date of each Transaction) that:

i. Guarantor is a corporation duly incorporated, validly existing and in good standing under the laws of Delaware;

ii. Guarantor has the legal capacity and the legal right to execute and deliver this Guarantee and to perform Guarantor's obligations hereunder;

iii. no consent or authorization of, filing with, or other act by or in respect of, any governmental authority and no consent of any other person (including, without limitation, any creditor of Guarantor) is required in connection with the execution, delivery, performance, validity or enforceability of this Guarantee;

iv. this Guarantee has been duly executed and delivered by Guarantor and constitutes a legal, valid and binding obligation of Guarantor enforceable in accordance with its terms, except as enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws; and

v. the execution, delivery and performance of this Guarantee will not violate any provision of the certificate of incorporation, by laws or other organizational documents of Guarantor, or any law, treaty, rule or regulation or determination of an arbitrator, a court or other governmental authority, applicable to or binding upon Guarantor or any of its property or to which Guarantor or any of its property is subject.

(i) Any provision of this Guarantee which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

(j) No single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege, and no waiver by Party B of any right or remedy hereunder on any one occasion shall be construed as a bar to any right or remedy which Party B would otherwise have on any future occasion. No failure to exercise, nor any delay in exercising, any right, power or privilege hereunder shall operate as a waiver thereof. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently and are not exclusive of any other rights or remedies provided by law.

(k) If any term, provision, covenant, or condition of this Guarantee, or the application thereof to any party or circumstance, shall be held to be illegal, invalid or unenforceable (in whole or in part) for any reason, the remaining terms, provisions, covenants and conditions hereof shall continue in full force and effect as if this Guarantee had been executed with the illegal, invalid or unenforceable portion

eliminated, so long as this Guarantee as so modified continues to express, without material change, the original intentions of the parties as to the subject matter of this Guarantee and the deletion of such portion of this Guarantee will not substantially impair the respective benefits or expectations of the parties to this Guarantee.

This Guarantee shall be governed by and construed in accordance with the laws of the State of New York without regard to conflicts of laws principles. All capitalized terms not defined in this Guarantee, but defined in the Agreement, shall have the meanings assigned thereto in the Agreement.

IN WITNESS WHEREOF, Guarantor has caused this Guarantee to be executed by its duly authorized officer as of the date of the Agreement.

[With respect to each Insured Transaction:

**Financial Guaranty Insurance Company

Ladies and Gentlemen:

I have acted as counsel to Lehman Brothers Special Financing Inc., a Delaware corporation ("Party A") and Lehman Brothers Holdings Inc., a Delaware corporation ("Guarantor"), and am familiar with matters pertaining to the execution and delivery of the Master Agreement (FGIC-Insured), including the Schedule and Credit Support Annex thereto (collectively, the "Master Agreement"), dated as of July 27, 2007 between Party A and Giants Stadium LLC, the related Confirmation, dated July 27, 2007, between Party A and Party B (the "Confirmation" and, together with the Master Agreement, the "Agreement") and the guarantee of Guarantor (the "Guarantee") delivered in connection with the Agreement.

In connection with this opinion, I have examined, or have had examined on my behalf, an executed copy of the Agreement and the Guarantee, certificates and statements of public officials and officers of Party A and Guarantor and such other agreements, instruments, documents and records as I have deemed necessary or appropriate for the purposes of this opinion.

Except as expressly set forth herein, no independent investigation (including, without limitation, conducting any review, search or investigation of any public files, records or dockets) has been undertaken to determine the existence or absence of the facts that are material to my opinions, and no inference as to my knowledge concerning such facts should be made.

When used herein the phrase "to my knowledge" means to my actual knowledge without independent investigation.

References in this letter to "Applicable Laws" are to those laws, rules and regulations of the State of New York which, in my experience, are normally applicable to transactions of the type contemplated by the Agreement and the Guarantee. References in this letter to "Governmental Authorities" are to executive, legislative, judicial, administrative or regulatory bodies of the State of New York. References in this letter to "Governmental Approval" are to any consent, approval, license, authorization or

validation of, or filing, recording or registration with, any Governmental Authority pursuant to Applicable Laws.

Based on the foregoing but subject to the assumptions, exceptions, qualifications and limitations hereinafter expressed, I am of the opinion that:

1. Each of Party A and Guarantor is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware.
2. The execution, delivery and performance of the Agreement in the case of Party A, and the Guarantee, in the case of Guarantor, are within its corporate power, have been duly authorized by all corporate action and do not conflict with any provision of its certificate of incorporation or by-laws.
3. The Agreement, in the case of Party A, and the Guarantee, in the case of Guarantor, have been duly executed and delivered and each constitutes a legal, valid and binding obligation, enforceable against it in accordance with its respective terms.
4. No Governmental Approval is required in connection with the execution, delivery and performance of the Agreement in the case of Party A, or the Guarantee, in the case of Guarantor, except those that have been obtained and, to my knowledge, are in effect.

The foregoing opinions are subject to the following assumptions, exceptions, qualifications and limitations:

A. My opinion in paragraph 3 above is subject to: (i) bankruptcy, insolvency, reorganization, receivership, moratorium or similar laws affecting creditors' rights generally (including, without limitation, the effect of statutory or other laws regarding fraudulent or other similar transfers or conveyances); (ii) general principles of equity, regardless of whether enforceability is considered in a proceeding in equity or at law; (iii) laws and considerations of public policy that may limit the enforceability of provisions (a) regarding indemnification and contribution rights and obligations, (b) regarding the waiver or limitation of rights to trial by jury, oral amendments to written agreements or rights of setoff, (c) relating to submission to jurisdiction, venue or service of process, and (d) purporting to prohibit or restrict, or require the consent of the "account debtor" (as defined in Section 9-102 of the Uniform Commercial Code as in effect in the State of New York (the "NYUCC")) for, the creation, perfection or enforcement of a security interest in "accounts" or "general intangibles" (in each case, as defined in Section 9-102 of the NYUCC).

B. I am a member of the Bar of the State of New York and render no opinion on the laws of any jurisdiction other than the laws of the State of New York and the General Corporation Law of the State of Delaware. Except as described, I have not examined, or had examined on my behalf, and I do not express any opinion with respect to, Delaware law.

C. My opinions are limited to the present laws and to the facts as they presently exist, and no opinion is to be inferred or implied beyond the matters expressly so stated. I assume no obligation to revise or supplement this opinion should the present laws of the jurisdictions referred to in paragraph B above be changed by legislative action, judicial decision or otherwise.

D. This letter is rendered solely to you solely for your benefit in connection with the Agreement and the Guarantee and the transactions related thereto and may not be relied upon by any

other person, entity or agency or by you in any other context or for any other purpose. This letter may not be circulated, used or quoted in whole or in part, nor may copies thereof be furnished or delivered to any other person, without the prior written consent of Lehman Brothers Holdings Inc., except that you may furnish copies hereof (i) to your independent auditors and attorneys, (ii) to any United States, state or local authority having jurisdiction over you or over Party A or Guarantor, (iii) pursuant to the order of any legal process of any court of competent jurisdiction or any governmental agency, and (iv) in connection with any legal action arising out of the Agreement or the Guarantee.

E. I have assumed with your permission (i) the genuineness of all signatures by each party other than Party A or Guarantor, (ii) the authenticity of documents submitted to me as originals and the conformity to authentic original documents of all documents submitted to me as copies, (iii) the accuracy of the matters set forth in the documents, agreements and instruments I reviewed, (iv) that each party other than Party A and Guarantor is duly organized, validly existing and in good standing under the laws of its jurisdiction of organization, (v) the due execution and delivery, pursuant to due authorization, of the Agreement by each party other than Party A, and (vi) that the Agreement is the legal, valid, binding and enforceable obligation of each party other than Party A, enforceable against each such party in accordance with its terms.

F. My opinion in paragraph 3 is subject to the qualification that certain provisions contained in the Agreement and the Guarantee may not be enforceable, but such unenforceability will not render the Agreement or the Guarantee invalid as a whole or substantially interfere with the practical realization of the principal benefits provided thereby

The foregoing opinions are given on the express understanding that the undersigned is an officer of Lehman Brothers Inc. and shall in no event incur any personal liability in connection with said opinions.

Very truly yours,

EXHIBIT F to Schedule

ISDA.

International Swaps and Derivatives Association, Inc.

CREDIT SUPPORT ANNEX

to the Schedule to the

ISDA MASTER AGREEMENT

(FGIC-Insured)

dated as of July 27, 2007

between

LEHMAN BROTHERS SPECIAL FINANCING INC.	and	GIANTS STADIUM LLC
("Party A")		("Party B")

This Annex supplements, forms part of, and is subject to, the above-referenced Agreement, is part of its Schedule and is a Credit Support Document under this Agreement with respect to each party.

Accordingly, the parties agree as follows:

Paragraph 1. Interpretation

(a) **Definitions and Inconsistency.** Capitalized terms not otherwise defined herein or elsewhere in this Agreement have the meanings specified pursuant to Paragraph 12, and all references in this Annex to Paragraphs are to Paragraphs of this Annex. In the event of any inconsistency between this Annex and the other provisions of this Schedule, this Annex will prevail, and in the event of any inconsistency between Paragraph 13 and the other provisions of this Annex, Paragraph 13 will prevail.

(b) **Secured Party and Pledgor.** All references in this Annex to the "Secured Party" will be to either party when acting in that capacity and all corresponding references to the Pledgor will be to the other party when acting in that capacity; *provided, however*, that if Other Posted Support is held by a party to this Annex, all references herein to that party as the Secured Party with respect to that Other Posted Support will be to that party as the beneficiary thereof and will not subject that support or that party as the beneficiary thereof to provisions of law generally relating to security interests and secured parties.

Paragraph 2. Security Interest

Each party, as the Pledgor, hereby pledges to the other party, as the Secured Party, as security for its Obligations and grants to the Secured Party a first priority continuing security interest in, lien on and right of Set-off against all Posted Collateral Transferred to or received by the Secured Party hereunder. Upon the Transfer by the Secured Party to the Pledgor of Posted Collateral, the security interest and lien granted hereunder on that Posted Collateral will be released immediately and, to the extent possible, without any further action by either party.

Paragraph 3. Credit Support Obligations

(a) **Delivery Amount.** Subject to Paragraphs 4 and 5, upon demand made by the Secured Party on or promptly following a Valuation Date, if the Delivery Amount for that Valuation Date equals or exceeds the Pledgor's Minimum Transfer Amount, then the Pledgor will Transfer to the Secured Party Eligible Credit Support having a Value as of the date of Transfer at least equal to the applicable Delivery Amount (rounded pursuant to Paragraph 13). Unless otherwise specified in Paragraph 13, the "*Delivery Amount*" applicable to the Pledgor for any Valuation Date will equal the amount by which:

(i) the Credit Support Amount

exceeds

(ii) the Value as of that Valuation Date of all Posted Credit Support held by the Secured Party.

(b) **Return Amount.** Subject to Paragraphs 4 and 5, upon a demand made by the Pledgor on or promptly following a Valuation Date, if the Return Amount for that Valuation Date equals or exceeds Secured Party's Minimum Transfer Amount, then the Secured Party will Transfer to the Pledgor Posted Credit Support specified by the Pledgor in that demand having a Value as of the date of Transfer as close as practicable to the applicable Return Amount (rounded pursuant to Paragraph 13). Unless otherwise specified in Paragraph 13, the "*Return Amount*" applicable to the Secured Party for any Valuation Date will equal the amount by which:

(i) the Value as of that Valuation Date of all Posted Credit Support held by the Secured Party

exceeds

(ii) the Credit Support Amount.

"*Credit Support Amount*" means, unless otherwise specified in Paragraph 13, for any Valuation Date (i) the Secured Party's Exposure for that Valuation Date plus (ii) the aggregate of all Independent Amounts applicable to the Pledgor, if any, minus (iii) all Independent Amounts applicable to the Secured Party, if any, minus (iv) the Pledgor's Threshold; *provided, however*, that the Credit Support Amount will be deemed to be zero whenever the calculation of Credit Support Amount yields a number less than zero.

Paragraph 4. Conditions Precedent, Transfer Timing, Calculations and Substitutions

(a) **Conditions Precedent.** Each Transfer obligation of the Pledgor under Paragraphs 3 and 5 and of the Secured Party under Paragraphs 3, 4(d)(ii), 5 and 6(d) is subject to the conditions precedent that:

(i) no Event of Default, Potential Event of Default or Specified Condition has occurred and is continuing with respect to the other party; and

(ii) no Early Termination Date for which any unsatisfied payment obligations exist has occurred or been designated as the result of an Event of Default or Specified Condition with respect to the other party.

(b) **Transfer Timing.** Subject to Paragraphs 4(a) and 5 and unless otherwise specified, if a demand for the Transfer of Eligible Credit Support or Posted Credit Support is made by the Notification Time, then the relevant Transfer will be made not later than the close of business on the next Local Business Day; if a demand is made after the Notification Time, then the relevant Transfer will be made not later than the close of business on the second Local Business Day thereafter.

(c) **Calculations.** All calculations of Value and Exposure for purposes of Paragraphs 3 and 6(d) will be made by the Valuation Agent as of the Valuation Time. The Valuation Agent will notify each party (or the other party, if the Valuation Agent is a party) of its calculations not later than the Notification Time on the Local Business Day following the applicable Valuation Date (or in the case of Paragraph 6(d), following the date of calculation).

(d) **Substitutions.**

(i) Unless otherwise specified in Paragraph 13, upon notice to the Secured Party specifying the items of Posted Credit Support to be exchanged, the Pledgor may, on any Local Business Day, Transfer to the Secured Party substitute Eligible Credit Support (the "Substitute Credit Support"); and

(ii) subject to Paragraph 4(a), the Secured Party will Transfer to the Pledgor the items of Posted Credit Support specified by the Pledgor in its notice not later than the Local Business Day following the date on which the Secured Party receives the Substitute Credit Support, unless otherwise specified in Paragraph 13 (the "Substitution Date"); *provided* that the Secured Party will only be obligated to Transfer Posted Credit Support with a Value as of the date of Transfer of that Posted Credit Support equal to the Value as of that date of the Substitute Credit Support.

Paragraph 5. Dispute Resolution

If a party (a "Disputing Party") disputes (I) the Valuation Agent's calculation of a Delivery Amount or a Return Amount or (II) the Value of any Transfer of Eligible Credit Support or Posted Credit Support, then (1) the Disputing Party will notify the other party and the Valuation Agent (if the Valuation Agent is not the other party) not later than the close of business on the Local Business Day following (X) the date that the demand is made under Paragraph 3 in case of (I) above or (Y) the date of Transfer in the case of (II) above, (2) subject to Paragraph 4(a), the appropriate party will Transfer the undisputed amount to the other party not later than the close of business on the Local Business Day following (X) the date that the demand is made under Paragraph 3 in the case of (I) above or (Y) the date of Transfer in the case of (II) above, (3) the parties will consult with each other in an attempt to resolve the dispute and (4) if they fail to resolve the dispute by the Resolution Time, then:

(i) In the case of a dispute involving a Delivery Amount or Return Amount, unless otherwise specified in Paragraph 13, the Valuation Agent will recalculate the Exposure and the Value as of the Recalculation Date by:

(A) utilizing any calculations of Exposure for the Transactions (or Swap Transactions) that the parties have agreed are not in dispute;

(B) calculating the Exposure for the Transactions (or Swap Transactions) in dispute by seeking four actual quotations at mid-market from Reference Market-makers for purposes of calculating Market Quotation, and taking the arithmetic average of those obtained; *provided* that if four quotations are not available for a particular Transaction (or Swap Transaction), then fewer than four quotations may be used for that Transaction (or Swap Transaction); and if no quotations are available for a particular Transaction (or Swap Transaction), then the Valuation Agent's original calculations will be used for that Transaction (or Swap Transaction);

(C) utilizing the procedures specified in Paragraph 13 for calculating the Value, if disputed, of Posted Credit Support.

(ii) In the case of a dispute involving the Value of any Transfer of Eligible Credit Support or Posted Credit Support the Valuation Agent will recalculate the Value as of the date of Transfer pursuant to Paragraph 13.

Following a recalculation pursuant to this Paragraph, the Valuation Agent will notify each party (or the other party, if the Valuation Agent is a party) not later than the Notification Time on the Local Business Day following the Resolution Time. The appropriate party will, upon demand following that notice by the Valuation Agent or a resolution pursuant to (3) above and subject to Paragraphs 4(a) and 4(b), make the appropriate Transfer.

Paragraph 6. Holding and Using Posted Collateral

(a) **Care of Posted Collateral.** Without limiting the Secured Party's rights under Paragraph 6(c), the Secured Party will exercise reasonable care to assure the safe custody of all Posted Collateral to the extent required by applicable law, and in any event the Secured Party will be deemed to have exercised reasonable care if it exercises at least the same degree of care as it would exercise with respect to its own property. Except as specified in the preceding sentence, the Secured Party will have no duty with respect to Posted Collateral, including, without limitation, any duty to collect any Distributions, or enforce or preserve any rights pertaining thereto.

(b) **Eligibility to Hold Posted Collateral; Custodians.**

(i) **General.** Subject to the satisfaction of any conditions specified in Paragraph 13 for holding Posted Collateral, the Secured Party will be entitled to hold Posted Collateral or to appoint an agent (a "Custodian") to hold Posted Collateral for the Secured Party. Upon notice by the Secured Party to the Pledgor of the appointment of a Custodian, the Pledgor's obligations to make any Transfer will be discharged by making the Transfer to that Custodian. The holding of Posted Collateral by a Custodian will be deemed to be the holding of that Posted Collateral by the Secured Party for which the Custodian is acting.

(ii) **Failure to Satisfy Conditions.** If the Secured Party or its Custodian fails to satisfy conditions for holding Posted Collateral, then upon a demand made by the Pledgor, the Secured Party will, not later than five Local Business Days after the demand, Transfer or cause its Custodian to Transfer all Posted Collateral held by it to a Custodian that satisfies those conditions or to the Secured Party if it satisfies those conditions.

(iii) **Liability.** The Secured Party will be liable for the acts or omissions of its Custodian to the same extent that the Secured Party would be liable hereunder for its own acts or omissions.

(c) **Use of Posted Collateral.** Unless otherwise specified in Paragraph 13 and without limiting the rights and obligations of the parties under Paragraphs 3, 4(d)(ii), 5, 6(d) and 8, if the Secured Party is not a Defaulting Party or an Affected Party with respect to a Specified Condition and no Early Termination Date has occurred or been designated as the result of an Event of Default or Specified Condition with respect to the Secured Party, then the Secured Party will, notwithstanding Section 9-207 of the New York Uniform Commercial Code, have the right to:

(i) sell, pledge, rehypothecate, assign, invest, use, commingle or otherwise dispose of, or otherwise use in its business any Posted Collateral it holds, free from any claim or right of any nature whatsoever of the Pledgor, including any equity or right of redemption by the Pledgor; and

(ii) register any Posted Collateral in the name of the Secured Party, its Custodian or a nominee for either.

For purposes of the obligation to Transfer Eligible Credit Support or Posted Credit Support pursuant to Paragraphs 3 and 5 and any rights or remedies authorized under this Agreement, the Secured Party will be deemed to continue to hold all Posted Collateral and to receive Distributions made thereon, regardless of whether the Secured Party has exercised any rights with respect to any Posted Collateral pursuant to (i) or (ii) above.

(d) Distributions and Interest Amount.

(i) **Distributions.** Subject to Paragraph 4(a), if the Secured Party receives or is deemed to receive Distributions on a Local Business Day, it will Transfer to the Pledgor not later than the following Business Day any Distributions it receives or is deemed to receive to the extent that a Delivery Amount would not be created or increased by that Transfer, as calculated by the Valuation Agent (and the date of calculation will be deemed to be a Valuation Date for this purpose).

(ii) **Interest Amount.** Unless otherwise specified in Paragraph 13 and subject to Paragraph 4(a), in lieu of any interest, dividends or other amounts paid or deemed to have been paid with respect to Posted Collateral in the form of Cash (all of which may be retained by the Secured Party), the Secured Party will Transfer to the Pledgor at the times specified in Paragraph 13 the Interest Amount to the extent that a Delivery Amount would not be created or increased by that Transfer, as calculated by the Valuation Agent (and the date of calculation will be deemed to be a Valuation Date for this purpose). The Interest Amount or portion thereof not Transferred pursuant to this Paragraph will constitute Posted Collateral in the form of Cash and will be subject to the security interest granted under Paragraph 2.

Paragraph 7. Events of Default

For purposes of Section 5(a)(iii)(1) of this Agreement, an Event of Default will exist with respect to a party if:

- (i) that party fails (or fails to cause its Custodian) to make, when due, any Transfer of Eligible Collateral, Posted Collateral or the Interest Amount, as applicable, required to be made by it and that failure continues for two Local Business Days after notice of that failure is given to that party;
- (ii) that party fails to comply with any restriction or prohibition specified in this Annex with respect to any of the rights specified in Paragraph 6(c) and that failure continues for five Local Business Days after notice of that failure is given to that party; or
- (iii) that party fails to comply with or perform any agreement or obligation other than those specified in Paragraphs 7(i) and 7(ii) and that failure continues for 30 days after notice of that failure is given to that party.

Paragraph 8. Certain Rights and Remedies

(a) **Secured Party's Rights and Remedies.** If at any time (1) an Event of Default or Specified Condition with respect to the Pledgor has occurred and is continuing or (2) an Early Termination Date has occurred or been designated as the result of an Event of Default or Specified Condition with respect to the Pledgor, then, unless the Pledgor has paid in full all of its Obligations that are then due, the Secured Party may exercise one or more of the following rights and remedies:

- (i) all rights and remedies available to a secured party under applicable law with respect to Posted Collateral held by the Secured Party;
- (ii) any other rights and remedies available to the Secured Party under the terms of Other Posted Support, if any;

(iii) the right to Set-off any amounts payable by the Pledgor with respect to any Obligations against any Posted Collateral or the Cash equivalent of any Posted Collateral held by the Secured Party (or any obligation of the Secured Party to Transfer that Posted Collateral); and

(iv) the right to liquidate any Posted Collateral held by the Secured Party through one or more public or private sales or other dispositions with such notice, if any, as may be required under applicable law, free from any claim or right of any nature whatsoever of the Pledgor, including any equity or right of redemption by the Pledgor (with the Secured Party having the right to purchase any or all of the Posted Collateral to be sold) and to apply the proceeds (or the Cash equivalent thereof) from the liquidation of the Posted Collateral to any amounts payable by the Pledgor with respect to any Obligations in that order as the Secured Party may elect.

Each party acknowledges and agrees that Posted Collateral in the form of securities may decline speedily in value and is of a type customarily sold on a recognized market, and, accordingly, the Pledgor is not entitled to prior notice of any sale of that Posted Collateral by the Secured Party, except any notice that is required under applicable law and cannot be waived.

(b) ***Pledgor's Rights and Remedies.*** If at any time an Early Termination Date has occurred or been designated as the result of an Event of Default or Specified Condition with respect to the Secured Party, then (except in the case of an Early Termination Date relating to less than all Transactions (or Swap Transactions) where the Secured Party has paid in full all of its obligations that are then due under Section 6(e) of this Agreement):

(i) the Pledgor may exercise all rights and remedies available to a Pledgor under applicable law with respect to Posted Collateral held by the Secured Party;

(ii) the Pledgor may exercise any other rights and remedies available to the Pledgor under the terms of Other Posted Support, if any;

(iii) the Secured Party will be obligated immediately to Transfer all Posted Collateral and the Interest Amount to the Pledgor; and

(iv) to the extent that Posted Collateral or the Interest Amount is not so Transferred pursuant to (iii) above, the Pledgor may:

(A) Set-off any amounts payable by the Pledgor with respect to any Obligations against any Posted Collateral or the Cash equivalent of any Posted Collateral held by the Secured Party (or any obligation of the Secured Party to Transfer that Posted Collateral); and

(B) to the extent that the Pledgor does not Set-off under (iv)(A) above, withhold payment of any remaining amounts payable by the Pledgor with respect to any Obligations, up to the Value of any remaining Posted Collateral held by the Secured Party, until that Posted Collateral is Transferred to the Pledgor.

(c) ***Deficiencies and Excess Proceeds.*** The Secured Party will Transfer to the Pledgor any proceeds and Posted Credit Support remaining after liquidation, Set-off and/or application under Paragraphs 8(a) and 8(b) after satisfaction in full of all amounts payable by the Pledgor with respect to any Obligations; the Pledgor in all events will remain liable for any amounts remaining unpaid after any liquidation, Set-off and/or application under Paragraphs 8(a) and 8(b).

(d) ***Final Returns.*** When no amounts are or thereafter may become payable by the Pledgor with respect to any Obligations (except for any potential liability under Section 2(d) of this Agreement), the Secured Party will Transfer to the Pledgor all Posted Credit Support and the Interest Amount, if any.

Paragraph 9. Representations

Each party represents to the other party (which representation will be deemed to be repeated as of each date on which it, as the Pledgor, Transfers Eligible Collateral) that:

- (i) it has the power to grant a security interest in and lien on any Eligible Collateral it Transfers as the Pledgor and has taken all necessary actions to authorize the granting of that security interest and lien;
- (ii) it is the sole owner of or otherwise has the right to Transfer all Eligible Collateral it Transfers to the Secured Party hereunder, free and clear of any security interest, lien, encumbrance or other restrictions other than the security interest and lien granted under Paragraph 2;
- (iii) upon the Transfer of any Eligible Collateral to the Secured Party under the terms of this Annex, the Secured Party will have a valid and perfected first priority security interest therein (assuming that any central clearing corporation or any third-party financial intermediary or other entity not within the control of the Pledgor involved in the Transfer of that Eligible Collateral gives the notices and takes the action required of it under applicable law for perfection of that interest); and
- (iv) the performance by it of its obligations under this Annex will not result in the creation of any security interest, lien or other encumbrance on any Posted Collateral other than the security interest and lien granted under Paragraph 2.

Paragraph 10. Expenses

- (a) **General.** Except as otherwise provided in Paragraphs 10(b) and 10(c), each party will pay its own costs and expenses in connection with performing its obligations under this Annex and neither party will be liable for any costs and expenses incurred by the other party in connection herewith.
- (b) **Posted Credit Support.** The Pledgor will promptly pay when due all taxes, assessments or charges of any nature that are imposed with respect to Posted Credit support held by the Secured Party upon becoming aware of the same, regardless of whether any portion of that Posted Credit Support is subsequently disposed of under Paragraph 6(c), except for those taxes, assessments and charges that result from the exercise of the Secured Party's rights under Paragraph 6(c).
- (c) **Liquidation/Application of Posted Credit Support.** All reasonable costs and expenses incurred by or on behalf of the Secured Party or the Pledgor in connection with the liquidation and/or application of any Posted Credit Support under Paragraph 8 will be payable, on demand and pursuant to the Expenses Section of this Agreement, by the Defaulting Party or, if there is no Defaulting Party, equally by the parties.

Paragraph 11. Miscellaneous

- (a) **Default Interest.** A Secured Party that fails to make, when due, any Transfer of Posted Collateral or the Interest Amount will be obliged to pay the Pledgor (to the extent permitted under applicable law) an amount equal to interest at the Default Rate multiplied by the Value of the items of property that were required to be Transferred, from (and including) the date that the Posted Collateral or Interest Amount was required to be Transferred to (but excluding) the date of Transfer of that Posted Collateral or Interest Amount. This interest will be calculated on the basis of daily compounding and the actual number of days elapsed.
- (b) **Further Assurances.** Promptly following a demand made by a party, the other party will execute, deliver, file and record any financing statement, specific assignment or other document and take any other action that may be necessary or desirable and reasonably requested by that party to create,

preserve, perfect or validate any security interest or lien granted under Paragraph 2, to enable that party to exercise or enforce its rights under this Annex with respect to Posted Credit Support or an Interest Amount or to effect or document a release of a security interest on Posted Collateral or an Interest Amount.

(c) **Further Protection.** The Pledgor will promptly give notice to the Secured Party of, and defend against, any suit, action, proceeding or lien that involves Posted Credit Support Transferred by the Pledgor or that could adversely affect the security interest and lien granted by it under Paragraph 2, unless that suit, action, proceeding or lien results from the exercise of the Secured Party's rights under Paragraph 6(c).

(d) **Good Faith and Commercially Reasonable Manner.** Performance of all obligations under this Annex, including, but not limited to, all calculations, valuations and determinations made by either party, will be made in good faith and in a commercially reasonable manner.

(e) **Demands and Notices.** All demands and notices given by a party under this Annex will be made as specified in the Notices Section of this Agreement, except as otherwise provided in Paragraph 13.

All provisions contained in, or incorporated by reference to, the Swap Agreement shall govern this Confirmation except as expressly modified below. 3. *Option to Terminate in Whole or in Part with Cash Settlement*

In connection with this Transaction, Counterparty shall have the right to early terminate, cancel and cash settle this Transaction, in whole or in part, effective on any Business Day after the Trade Date (the "Optional Termination Date"). This right may be exercised by written, telex or facsimile notice delivered to Lehman no later than two (2) Business Days prior to the Optional Termination Date (the "Notification Date"), which notice shall only be effective upon actual receipt by Lehman and shall be irrevocable. Following any such early termination and cancellation and payment of the Cash Settlement Amount (calculated as described below), the parties shall be relieved of all further payment obligations hereunder except for (i) payment of all accrued but yet unpaid amounts calculated to but excluding the Optional Termination Date (unless otherwise included in the Cash Settlement Amount as calculated below) and (ii) payment of amounts under the remaining portion of this Transaction in the case of partial cancellation. If this Transaction is cancelled in part, all payment calculations following the Optional Termination Date will be based on the remaining portion of this Transaction after giving effect to such partial cancellation, as set forth in a partial termination Confirmation to be provided by Lehman.

Notwithstanding anything to the contrary contained herein, Counterparty may not exercise its right to early terminate this Transaction, if following such termination, a Cash Settlement Amount would be payable by Counterparty to Lehman unless Counterparty provides evidence reasonably satisfactory to Lehman and the Insurer that: (i) such Cash Settlement Amount will be made by Counterparty on or before the second Business Day immediately following the Optional Termination Date, and (ii) such Cash Settlement Amount will not cause Counterparty to be in violation of, or in default of, any material obligation under any material agreement of Counterparty.

Upon the occurrence of an Optional Termination Date, Lehman will determine, in a commercially reasonable manner, a U.S. Dollar value for the terminated portion of this Transaction (the "Cash Settlement Amount") based on its estimate of the mid-market valuation of such terminated portion. If such Cash Settlement Amount is not mutually acceptable to Lehman and Counterparty, the parties shall determine a Cash Settlement Amount with respect to this Transaction in accordance with Section 6(e)(ii)(1) (Market Quotation applies) of the Swap Agreement, where (A) both parties are Affected Parties and this Transaction is the sole Affected Transaction and (B) the Reference Market-makers providing quotations are acceptable to both Lehman and Counterparty. In all events, the Cash Settlement Amount shall be determined in accordance with Paragraph 5 hereof.

4. ***Lehman's Right to Request Conversion or Refinancing of Bonds.*** Lehman may, at any time, request that Counterparty (a) convert the Related Bonds from Auction Rate Securities to Floating Rate Securities pursuant to the Covered Indenture or (b) refinance, remarket or replace the Related Bonds with another series of securities of identical maturity, with all costs and expenses of any conversion, refinancing, remarketing or replacement being for the account of Lehman. Counterparty shall consider any request in good faith and not withhold its consent unreasonably, it being understood that it will be deemed reasonable, without limitation, for Counterparty to withhold its consent if it concludes that such conversion, refinancing, remarketing or replacement will (i) result in any additional cost, risk or loss of financial or business flexibility or (ii) require the preparation of disclosure materials during a period of time when the Counterparty concludes in its sole discretion that the preparation of disclosure materials is inappropriate or inconvenient (which the issuer may determine for a period of no more than 180 days in any 360 day period).

5. ***Floating Rate Option For Termination Payments.*** Except with respect to the circumstances described in Paragraph 6(A) or 6(B) below, notwithstanding anything in the Agreement or this Confirmation to the contrary, if the Floating Rate at the time of the early termination of this Transaction is the Actual Bond Rate, (a) the Floating Rate shall, for all purposes (including, without limitation, the calculation of amounts payable upon such termination) be deemed to be USD-LIBOR-BBA (having a Designated Maturity of one month) plus 0.3815%, calculated on an Actual/360 basis, with respect to all amounts that would be payable after the early termination date if no such termination had occurred and (b) the Settlement Amount shall, in all events, be determined pursuant to Section 6(e)(ii) as if both parties are Affected Parties.

6. ***Termination Upon Lehman Downgrade or Default.*** If, at any time that the Floating Rate is the Actual Bond Rate, (A) this Transaction is terminated as a result of the occurrence of the Additional Termination Event described in Part 1(k) of the Schedule or (B) this Transaction is terminated as a result of the occurrence of an Event of Default with respect to which Lehman is the Defaulting Party, the Settlement Amount will be determined pursuant to Section 6(e)(ii) of the Agreement as if Lehman were the sole Affected Party, provided that the Market Quotation with respect to this Transaction will be calculated as follows:

- (a) Prior to the Early Termination Date, Counterparty and Lehman shall each designate two
- (2) Reference Market-makers (each, a "Designated Dealer"), each having outstanding long term senior debt securities rated at least (1) "Aa3" or higher as determined by Moody's and (2) "AA-" or higher as determined by S&P.

(b) On the Early Termination Date, Lehman shall solicit quotations from the Designated Dealers. Each quotation will be for an amount, if any, that would be paid to Counterparty or by Counterparty in consideration of an agreement between Counterparty and the quoting Designated Dealer to enter into a transaction (the "Replacement Transaction") that would have the effect of preserving for Counterparty the economic equivalent of any payment or delivery (whether the underlying obligation was absolute or contingent and assuming the satisfaction of each applicable condition precedent) by the parties under Section 2(a)(i) in respect of this Transaction that would, but for the termination by Counterparty, have been required after that date. For this purpose, Unpaid Amounts in respect of this Transaction are to be excluded but, without limitation, any payment or delivery that would, but for the Early Termination Date, have been required (assuming satisfaction of each applicable condition precedent) after that Early Termination Date is to be included. The Replacement Transaction would be subject to such documentation as Counterparty and the Reference Market-maker may, in good faith, agree. Each Designated Dealer shall certify in writing that such Designated Dealer is prepared to enter into a Replacement Transaction based on their quotation.

(c) The Market Quotation in connection with the termination of this Transaction pursuant to this Paragraph 6 shall be the amount of the lowest quotation received. If such quotations are expressed as an amount that would be payable from Counterparty to the Designated Dealer, the Market Quotation shall be expressed as a positive number and if such quotations are expressed as an amount that would be payable from the Designated Dealer to Counterparty, the Market Quotation shall be expressed as a negative number.

7. **Broker-Dealer and Auction Agent.** Counterparty and Lehman Brothers Inc. ("LBI"), an affiliate of Lehman, will enter into a broker-dealer agreement in customary form pursuant to which LBI agrees to serve as broker-dealer for the Related Bonds during the term of the Related Bonds in return for compensation not to exceed 0.15% per annum based on the outstanding principal amount of the Related Bonds from time to time. Counterparty shall have the right to terminate the services of LBI under such broker-dealer agreement at any time upon reasonable notice, provided that Counterparty shall not terminate the services of LBI thereunder with respect to any portion of the Related Bonds that are in an Auction Mode and with respect to which the Floating Rate payable by Lehman under this Transaction is the Actual Bond Rate. Counterparty will enter into an agreement with Wilmington Trust Company ("WTC") in customary form reasonably acceptable to Lehman pursuant to which WTC agrees to act as auction agent with respect to the Related Bonds so long as they are in Auction Mode in return for compensation not to exceed .0015% per annum based on the outstanding principal amount of the Related Bonds from time to time. Counterparty shall have the right to terminate the services of WTC under such auction agent agreement at any time upon reasonable notice, provided that Counterparty shall not terminate the services of WTC thereunder with respect to any portion of the Related Bonds that are in an Auction Mode and with respect to which the Floating Rate payable by Lehman under this Transaction is the Actual Bond Rate without the prior written consent of Lehman.

The parties agree that in the event that WTC is replaced as auction agent for any reason with the consent of Lehman, the Fixed Rate payable to Lehman with respect to Related Bonds that are in Auction Mode and with respect to which the Floating Rate payable by Lehman under this Transaction is the Actual Bond Rate shall be (a) increased to the extent that the replacement auction agent's compensation payable by Lehman under Paragraph 9 below is greater than .0015% per annum based on the outstanding principal amount of the Related Bonds (subject to a maximum increase in such Fixed Rate of .0085% per annum) or (b) decreased to the extent that the replacement auction agent's compensation payable by Lehman under Paragraph 9 below is less than .0015% per annum based on the outstanding principal amount of the Related Bonds.

In the event that LBI is, at any time, terminated or replaced in its capacity as broker-dealer with respect to Related Bonds that are in Auction Mode and with respect to which the Floating Rate payable by Lehman under this Transaction is the Actual Bond Rate, Counterparty shall, immediately and without further action by any party, be deemed to have exercised its conversion option pursuant to Paragraph 9 below with respect to all of the Related Bonds that are then in Auction Mode and the Fixed Rate and the Floating Rate shall thereafter be deemed to have been modified as provided therein and Lehman shall have no further obligation to pay auction agent fees or broker-dealer fees pursuant to Paragraph 9.

8. Failure to Issue the Related Bonds or Procure Swap Insurance Policy.

(a) If the Related Bonds are not issued on or prior to October 1, 2007, this Transaction shall terminate, effective as of October 1, 2007, without further action by any party. No termination or other payments shall be payable by the parties hereto in connection with any such termination and following such termination, the parties shall have no further obligations hereunder and no Floating Rate Amounts or Fixed Rate Amounts shall be deemed to have accrued notwithstanding the Effective Date of August 14, 2007.

(b) If Party B fails to deliver to Party A, on or prior to the date on which the Related Bonds are issued, a Swap Insurance Policy (as defined below), this Transaction shall terminate, effective as of the date of issuance of the Related Bonds, without further action by any party. No termination or other payments shall be payable by the parties hereto in connection with any such termination and following such termination, the parties shall have no further obligations hereunder and no Floating Rate Amounts or Fixed Rate Amounts shall be deemed to have accrued notwithstanding the Effective Date of August 14, 2007.

For purposes of this clause (b), the term "Swap Insurance Policy" means a swap insurance policy issued by Financial Guaranty Insurance Company (the "Insurer") with respect to Counterparty's regularly scheduled payment obligations under the Agreement with respect to this Transaction and with respect to certain Settlement Amounts due from Counterparty under the Agreement, as specified in the swap insurance policy, which swap insurance policy shall otherwise be in form and substance reasonably acceptable to Lehman.

9. Counterparty Option to Convert Floating Rate. Counterparty may from time to time, by providing Lehman with not less than five (5) Business Days' prior written notice, convert the Floating Rate from the Actual Bond Rate to a rate based on USD-LIBOR-BBA with respect to a notional amount of this Transaction (the "Converted Notional Amount") corresponding to all or any portion of the Related Bonds identified by Counterparty, such conversion to be effective on the next succeeding Floating Rate Payer Period End Date (the "Conversion Date") with respect to Calculation Periods commencing on and after such Conversion Date. In the event that Counterparty elects to so convert the Floating Rate, (a) the Fixed Rate with respect to the Converted Notional Amount shall, from and including the Conversion Date, be deemed to be 5.807%, and (b) the Floating Rate with respect to the Converted Notional Amount shall, from and including the Conversion Date, be deemed to have the following terms:

Floating Rate Payer Payment Dates:

Monthly, on the day of each calendar month corresponding to the Conversion Date (or, if any calendar month does not include such date, the last day of such calendar month), commencing on such day of the first calendar month immediately following the Conversion Date and terminating on the Termination Date, subject to adjustment in accordance with the Following Business Day Convention.

Floating Rate Payer Period End Dates:	Monthly, on the day of each calendar month corresponding to the Conversion Date (or, if any calendar month does not include such date, the last day of such calendar month), commencing on such day of the first calendar month immediately following the Conversion Date and terminating on the Termination Date. No Adjustment shall apply to Floating Rate Payer Period End Dates.
Floating Rate:	USD-LIBOR-BBA
Designated Maturity:	One month.
Reset Date:	The Conversion Date and thereafter each Floating Rate Payer Period End Date.
Floating Rate Day Count Fraction:	Actual/360
Method of Averaging:	Inapplicable

With respect to any Converted Notional Amount, the reductions in Notional Amount set forth in Annex I shall be applied to such Converted Notional Amount and the unconverted Notional Amount on a pro rata basis or on such other basis as the Counterparty may specify in the applicable conversion notice.

10. ***Auction and Broker-Dealer Fees.*** Lehman agrees that, while the Related Bonds remain in Auction Mode and unless LBI has been terminated or replaced as the broker-dealer for the Related Bonds, it shall be obligated to pay (a) directly to the auction agent and the broker-dealer for the Related Bonds, the auction agent and broker-dealer fees with respect to the Related Bonds and (b) to Counterparty, any and all other fees, costs and expenses payable by Counterparty and relating to Auctions (as defined in the Covered Indenture) with respect to the Related Bonds. In the case of payments specified in clause (a) above, such payments shall be due and payable on the dates and in the amounts specified in the related broker-dealer agreement and auction agent agreement. In the case of payments specified in clause (b) above, such payments shall be due and payable in arrears on each Floating Rate Payer Payment Date to the extent paid by Counterparty during the related Calculation Period; provided, however, that any such amount paid prior to the Effective Date hereof shall be deemed to have been paid in the initial Calculation Period. Lehman shall have no obligation to pay any amounts specified in clause (a) or clause (b) above in the event that (i) the Related Bonds are in any mode other than Auction Mode, or (ii) if LBI has been terminated or replaced as the broker-dealer for the Related Bonds or (iii) with respect to Related Bonds corresponding to any Converted Notional Amount. Amounts payable by Lehman pursuant to this Paragraph 10 shall, for all purposes, be deemed to be payments required pursuant to Section 2(a)(i) of the Agreement.

11. ***Transfer or Procurement of Credit Enhancement by Lehman.*** Notwithstanding Section 7 of the Agreement (but subject to Part 1(l)(v) of the Schedule to the Agreement), Lehman may, at any time, without the consent of Counterparty, either (a) transfer its rights and obligations with respect to this Transaction to any dealer in the relevant market having a long-term debt rating (or whose obligations are guaranteed by an entity having a long-term debt rating) of "AA-" or higher from S&P or "Aa3" or higher from Moody's or (b) enter into an agreement with any dealer in the relevant market (a "Replacement Credit Support Provider") having a long-term debt rating of "AA-" or higher from S&P or "Aa3" or higher from Moody's pursuant to which such Replacement Credit Support Provider agrees to guarantee or

otherwise insure all of the payment obligations of Lehman hereunder, including, without limitation, the obligation of Lehman to make any payments upon the early termination hereof. During such time that any arrangement specified in clause (b) above is in effect, the Replacement Credit Support Provider shall be deemed to be Lehman's Credit Support Provider with respect to any provision of this Confirmation or the Agreement relating to the debt ratings of Lehman's Credit Support Provider to the extent that such ratings are higher than those of Lehman Brothers Holdings Inc.

12. **Credit Support Annex.** Notwithstanding anything contained in the Credit Support Annex to the Agreement to the contrary, at any time that the Floating Rate payable by Lehman under this Transaction is the Actual Bond Rate, Exposure shall be calculated in all events as if this Transaction were to be terminated pursuant to the terms of Paragraph 5 hereof.
